Lake Lure Flowering Bridge	Buffalo Creek Park

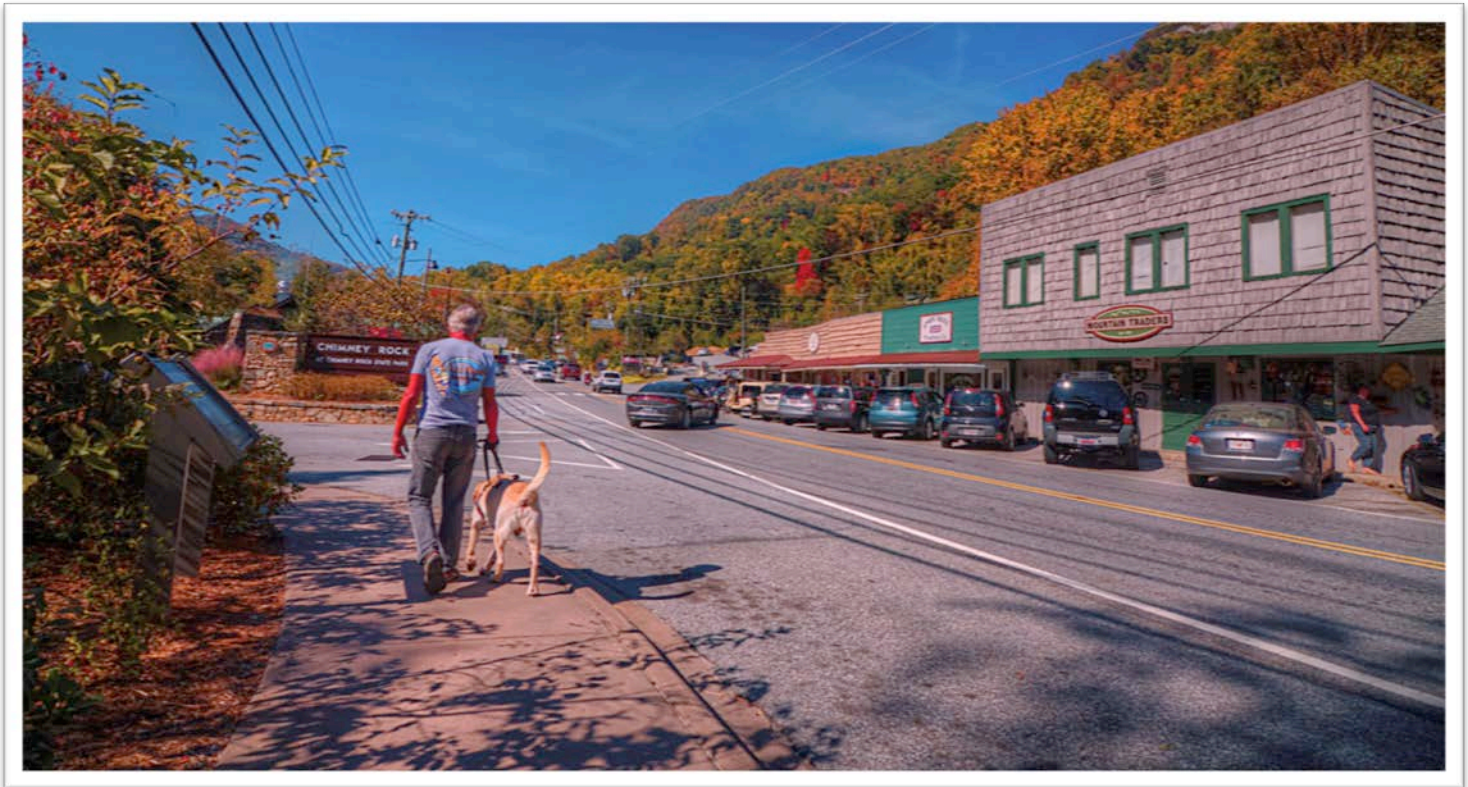

Don't Miss:

Forest City Pets	Bubba O'Leary's General Store
Lake Lure Adventure Company	Paws and Purrs Barkery
Mirror Mirror Boutique	Morse Park Meadows

DAY 1: ARRIVAL

Get settled in and become acquainted with your new canine getaway. **Four Paws Kingdom Campground and Dog Retreat** offers RV rentals, RV sites, and cabin rentals. It is a campground dedicated to your fur babies and centrally located to many attractions. After check in, take a leisurely stroll down the **Purple Martin Greenway** in Rutherfordton, a newly-built walking trail surrounded by forest in the middle of our growing small town, or see some historic sites on the **Downtown Historic Walking Tour**. While downtown, stop in at **Paws and Purrs Barkery** for adorable dog attire and homemade organic dog treats! For dinner, head to Spindale to **Barley's Taproom and Pizzeria** for delicious pizzas, sandwiches and locally-crafted beers. The outdoor seating on Main Street will be perfect for your furry friend. If visiting us on the weekend, you can usually catch a local band playing after dinner at many local restaurants including **Barley's** or **Foothills Café** in nearby Forest City.

DAY 2: Chimney Rock

Begin day two of your trip with breakfast at **Medina's Village Bistro** in Chimney Rock Village – a local favorite. Try their “World Famous Cinnamon Roll” for a breakfast treat and ask about their special dog menu! After finishing breakfast, gear up for fun at **Chimney Rock at Chimney Rock State Park**. They have plenty of trails to hike with your four-legged companion. Try the **Hickory Nut Falls Trail**, which is not too strenuous and ends with a waterfall to play in – perfect for you and your dog. Hiking builds an appetite, so after your fun in **Chimney Rock State Park**, head on down to **Riverwatch Grill**. Sit out on the patio and relax by the Rocky Broad River. After lunch, exit off the back-deck stairs for a walk down the **Rocky Broad Riverwalk**. Your pampered pooch will enjoy getting to splash around and play in the cool river. While in the neighborhood, stroll through **Chimney Rock Village** to check out all the eclectic shops. Make a special stop in **Bubba O'Leary's General Store** – dogs of all types are welcome! End your day with a rewarding craft brew at **Hickory Nut Gorge Brewery** and dinner with your hungry hound. Obviously, the beer is for humans only, but the views are for both of you! With four decks right at the edge of the Rocky Broad River, the brewery is perfect for you and your furry friend to enjoy the outdoors.

DAY 3: Lake Lure

We hope you're not tired of sightseeing with your pampered pet quite yet! We have lots of adventures planned for you at the lake today. Grab a cup of coffee or a tasty treat from **GreenHill Store** as you head up to Lake Lure. It's a great place to fuel up the car and your belly with a quick biscuit before a fun-filled day. For the adventurous pup, take them to **Lake Lure Adventure Company**. You can rent a canoe or paddle boat, and your pet can doggy-paddle around the cove or accompany you on your raft. We recommend that all humans and dogs wear a life vest. Is your pup a more low-key adventurer? We have just the thing. The **Lake Lure Flowering**

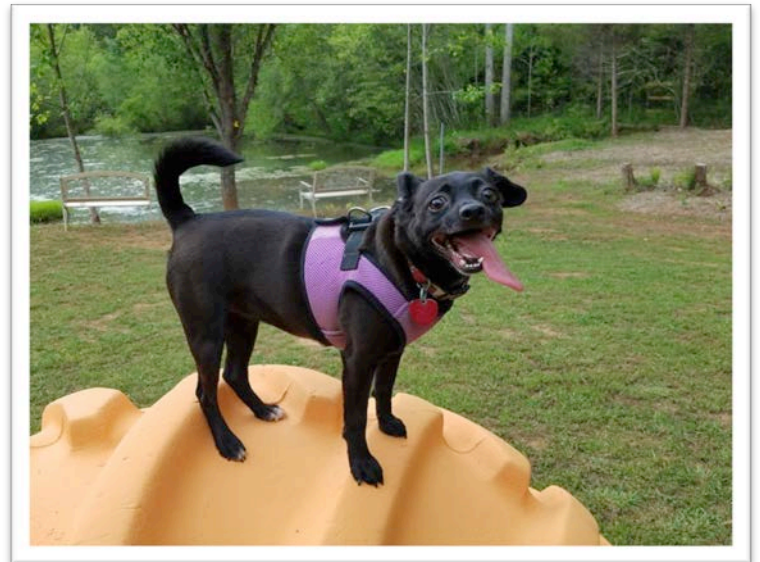

Bridge is not only beautiful, but also relaxing. Take a stroll, and literally stop and smell the flowers. Afterwards, bring a picnic lunch or grab lunch to go from **Lake House Diner** and sit under a shaded picnic table in **Morse Park Meadows**. Then, enjoy a walk around **Dittmer-Watts Nature Trail Park** or **Buffalo Creek Park** in Lake Lure. **Dittmer-Watts Nature Trail Park** is best for pooches who prefer a leisurely stroll in beautiful wooded area. With a looped natural trail approximately three miles long, it's so peaceful and quiet that you'll forget that you are in close proximity to shops and restaurants by the lake.

Alternately, **Buffalo Creek Park** is for dogs (and owners) who want a challenging hike with rewarding views. Located inside Rumbling Bald Resort, the 10-mile trail is open to any adventurous person and pup. For dinner, sit outside at **Point of View Restaurant** for even more scenic views, and amazing dishes like Trout Amandine or Prime Rib, while you and your pooch both rest from a long, adventurous day.

DAY 4: Check Out

Don't forget to take a dip in the pond or play in the agility park at **4 Paws Kingdom** before you leave. It is a puppy preferred campground for a reason! After check out, explore another of our historic small towns, Forest City. Home of the **Forest City Owls** and a one-million Christmas lights, treat your pup to a walk around and browse inside shops like **Mirror Mirror Boutique** and **Forest City Pets**. Stop for lunch at **Copper Penny Grill**, located right across the street from Forest City Pets. The outdoor seating makes it perfect for you and your pooch to enjoy the food and the beautiful weather. After your doggy lunch date, stop by **Serendipity Snowballs** for a perfect summer treat. Want a puppy snowball? Ask and you shall receive!

On your way out of town, put the windows down and let your dog(s) hang their head out as you drive the **Cherry Bounce Trail**. This backroads tour is an old moonshine route taken by those in search of Amos Owens' famous Cherry Bounce drink made from the sweet cherries of Golden Valley. Depending on when you arrive to our area, the tour can take anywhere from an hour and a half to several hours if you get lost in the nostalgia found along the way. Your dog will be all tuckered out and ready for a nap while you travel back home. We hope everyone – both humans and canines - *have the time of your life* in Western North Carolina's Blue Ridge Foothills!
