

# SOUTH TOWNE

2nd Quarter Report for the South Towne Exposition Center

July 2016

## Record Number of Events in Second Quarter

**73 Events Kept the Facility Buzzing!**  
**FitCon Utah** has grown since last year's appearance at the South Towne Expo Center, attracting around 10,000

attendees. There were competitions, seminars and an expo featuring health and fitness-related products. **FitCon** will be moving to the Salt Palace Convention Center in 2017 as they expect to double their attendance and expand the expo portion of the event.

This is first year **Jam On It** did two back-to-back weeks of basketball for youth from 3rd grade to seniors: **Rocky Mountain Championship** and **Big Mountain Jam**. It was first year for Rocky Mountain Championship with more than 150 teams and the seventh year for Big Mountain Jam with over 500 teams from all over the United States and some from New Zealand, Canada and Mexico.

**Reach for the Stars** was a NuSkin awards event with over 1,400 attendees.

**Gaming Con**, now in its second year, has partnered with Salt Lake ComicCon. The two-day event in early June brought in thousands of gamers.

*See the next page for a list of all of the events held at South Towne during the second quarter and more photos from the featured events.*

### Department of Homeland Security Completes Risk Assessment for South Towne

This comprehensive assessment helps identify vulnerabilities within the facility and what steps can be taken to decrease risk, such as adding more surveillance or shoring up access points. This report will help us work with local first responders to coordinate and elevate our emergency response plans within each of the agencies.

# A Record-Setting 73 Events

## SMG/Salt Lake Staff Members Continue to Give Back to Their Community

On Tuesday, April 26th, about a dozen employees from SMG/Salt Lake spent most of the day at the University of Utah Health Care Patient and Family Housing facility located on North Temple in Salt Lake City. The work crew tackled two projects — yard maintenance and painting a room in the facility. The facility's Lodging Manager wrote this about our staff's efforts:

The facility's Lodging Manager wrote this about our staff's efforts:

*"Your contributions and services are greatly appreciated by the staff, but most importantly, by the patients. The Meeting Room is not only for our staff meetings, but the guests use it for family gatherings and sometimes for individual quiet time. Also, outside groups, prayers, arts, etc., utilize that room. So the work that you have done makes the appearance of that space even better. We are also grateful for the landscaping you did. Words cannot express our gratitude."*

The Employee Action Committee encourages all SMG/Salt Lake Employees to participate in the various opportunities that are available throughout the year.

The next project is slated for June 25 at the Crisis Nursery in Sugarhouse. We will be weeding, renovating part of the play area and taking inventory of donated diapers and other products.

Service for Success

Outreach to Our Community

Awareness of Safety

Responsibility to Our Environment

### Eimis Sakalauskas Receives Employee of the Quarter Award

Saving a man's life during an event at South Towne recently earned the **Employee of the Quarter** award for Eimis Sakalauskas. The Event Manager noticed a man who was in distress and followed him outside. Moments later, the man was on the ground, unconscious. Eimis called an EMT and began CPR. The man lived and Eimis has been hailed a hero! Eimis has been at South Towne for over a dozen years as an Event Manager.

SMG is a worldwide leader in public facility management and hospitality services. Since 1977, SMG has contracted with 230 facilities around the world. The South Towne Exposition Center has been part of the SMG family since 2000.

## FACILITY UPDATES

### CAPITAL PROJECTS

**Camera System**—Full PTZ has been installed on the exterior marquees and key internal areas. The project is 95% complete and should be finished by the end of July.

**Asphalt Overlay**—This slurry seal project included the entire driveway that runs parallel to the west roadway, the employee parking area and the entire dock lot (58,190 sq. ft.). The project was completed on June 13. The repainting of parking stall lines and fire lanes was finished the next day.

### GENERAL MAINTENANCE

The walls of the lobby and meeting rooms 200, 300 and 400 are being patched and painted. The roof of the front lobby area is having a metal sealant applied. All repairs have been completed on the irrigation lines. A tamper valve was replaced on #6 fire sprinkle, as was the motor on the Hall 4 overhead door. The concrete was elevated on the Utah Food Services' receiving dock. The high steel in the lobby area has been cleaned.
