Quail Ridge Park Disc Golf Course

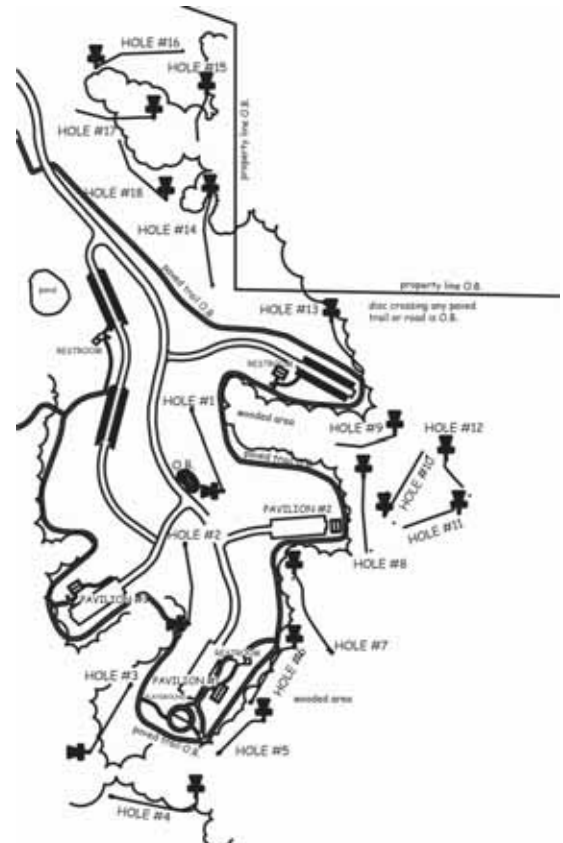

Quail Ridge Park features an 18-hole disc golf course that stretches nearly 6,100 feet from the white tees and 4,500 feet from the red tees. Free and open to all comers, the course offers a nice mix of short and long holes that travel in and out of the surrounding woods to provide players of all skill levels with a variety of challenges. Elevation changes and tricky pin placements make this course a hit with both beginners and skilled players alike. Par at the course is 54.

Disc golf provides a unique twist on the traditional game by combining it with the favorite pastime of tossing flying discs. Game play follows rules very similar to golf, where players track how many

“strokes” (tosses) it takes to get from tee to “hole” (basket). Players can carry up to 16 discs for varying shots, although first-timers can be quite successful with just one well-tossed disc.

Quail Ridge Park is conveniently located near the intersection of Interstate 70 and Highway 40/61 in Wentzville. From I-70, go south on Highway 40/61 to the first stoplight (Callahan Road) and turn right. Make an immediate right onto Quail Ridge Parkway and follow into the park. Turn left on Bluestem Drive within the park, and the disc golf course will begin at the first street on your left.
