

Special Events Permit Application

As identified in the Special Events Ordinance, the City recognizes that special events help define the City's image, build community, drive economic activity and enhance the overall quality of life. The purpose of the Special Events Ordinance is to set forth a permitting mandate and process including criteria for Special Events designed to protect, preserve and promote the safety and welfare of the general public including but not limited to ensuring the physical safety of residents and visitors; providing for emergency, medical, fire, traffic operations, and other elements associated with the Special Event.

One of the provisions established is the requirement of a signed and **complete** Special Events Permit Application that must be filed **no less than 45 calendar days** before the first date of the proposed date of the Special Event. For a listing of all deadlines for additional permits and submission of documents please review the Special Events Policy and Procedures.

As the Event Producer, you are responsible for adhering to all stipulations as outlined in the Special Event Ordinance, Special Events Policy and Procedures, and any and all conditions placed by each City department. If you do not have enough room, please attach additional information to be as complete as possible.

(If yes, please show the emergency exits in your Event Layout of the Event Operating Plan.)

Are you requesting the presence of a fire truck at this event? Yes No

(If yes please submit an official request and select the "Community Event Request Form" <http://www.sugarlandtx.gov/index.aspx?nid=107>. Your Event Layout of the Event Operating Plan must ensure Fire Apparatus access with the presence of any Fire vehicle.)

Will your event have the presence of propane, or the use of homemade appliances? Yes No
(If yes, please include the locations and a description of homemade appliances within your Event Layout of your Event Operating Plan. Of note, the request to use homemade appliances must be presented at least six (6) months prior to the event to assure Event Producer sufficient time to find other resources if denied. At minimum, the request must be received no less than 45 days prior to event start and does not guarantee that the request will be approved.)

How will you accurately measure attendance?
(Please include the proposed locations for crowd counting and the method in your Event Layout of the Event Operating Plan. Please be aware that if it is believed by the Fire Marshal's Office that there was a purposeful miscalculation of occupant count, the City reserves the right to close the event.)

EMERGENCY MEDICAL SERVICES (EMS)

Please read the following criteria to determine if your event will require any additional medical assets within your EMS Preparation. If needed, based on the nature, size and scope of the event, the Sugar Land Fire-EMS may require the Event Producer to provide an EMS Preparation Plan. The extensiveness of the plan is dependent on the scale of the event, and is determined on a case-by-case basis. If the expected attendance is above 10,000, EMS will be required on-site in according to following matrix:

- * *Of Note: All emergency medical providers must be certified by the Commission on Accreditation of the Ambulance Services (CAAS).*
- * *Of Note: If the expected attendance is above 10,000 the City will verify the selected EMS Provider is City-licensed, and reserves the right to request and enforce adjustments if this requirement is not met.*

a) Have you included your EMS Communication Plan? Yes No
(EMS Communication Plans are required if the expected attendance is above 20,000 attendees. If you have not, please submit your EMS Communication Plan as a part of your Event Operating Plan.)

SANITATION

Please utilize the criteria below to outline within the Event Layout of your Event Operating Plan how waste will be managed.

- ★ *At a minimum the Event Operating Plan must include the location and number of all solid waste receptacles and collection containers, which must meet the minimum requirement of one (1) solid waste receptacle per fifty (50) people.*

Will portable restrooms be utilized during your event? Yes No

The City has a requirement that there must be one (1) toilet per 150 people. This includes the use of fixed restrooms. If portables restrooms are requirement to adhere to the City's standards, the restroom facilities portion of the Event Operating Plan must include the elements found below.

1. *Identification of agencies that will be managing the events sanitation requirements. (Liquid Waste, Restrooms, and Hand-Washing)*
2. *Type of restroom facilities. (ex: individual portable restrooms, comfort stations, etc.)*
3. *Location and number of restroom and hand-washing facilities in an amount not less than one (1) hand-washing facility per twenty (20) restrooms.*
4. *Number of toilets, with a requirement of toilets in at a ratio of one (1) per 150 people.*
5. *Clearly defined daily servicing plan for multiple day events, which must include pumping from hard surfaces in order to avoid driving onto park grounds.*

Will your event utilize a recycling program? Yes No

If yes, the following are key elements of a successful recycling program.

- *Recyclable containers should be equal to the number of landfill trash containers.*
- *Recycling and landfill trash containers should be placed next to each other.*
- *Recycling containers should be clearly identified as a recycling receptacle and display a list of recyclable materials accepted.*
- *Using different colored container liners helps event staff easily and quickly manage materials at the end of the event.*
- *The event should ensure that all recyclable materials are delivered to a recycling facility and not to a landfill.*
- *City encourages the use of environmentally friendly materials or technology to reduce waste, such as water trucks, etc.*

FOOD INSPECTIONS

Will your event have food or beverages available for consumption by the public? Yes No

(If yes, please contact the Environmental Services Department to ensure you are in compliance with all rules and regulations. Ensure that planned locations of food and beverages to be distributed in your Event Layout of the Event Operating Plan. Follow the provided link for more information regarding the City of Sugar Land's Food Inspection requirements. <http://www.sugarlandtx.gov/index.aspx?nid=452>)

- ★ *Of Note: If you event will include the distribution of alcohol, you are responsible for obtaining required permits from the City of Sugar Land Health Department and the Texas Alcohol and Beverage Control (TABC) and abiding by all laws and regulation set forth.*

PERMITS & INSPECTIONS

Will this event require plumbing? Yes No

(If yes, please indicate the equipment that will be used to provide water access (plumbing) and where it will be located in your Event Layout of your Event Operating Plan. For any connection to a water main or hydrant, a permit approved by a licensed plumber will be required.)

SEVERE WEATHER

Please describe how you will account for Severe Weather.

(Please include the proposed plan in your Event Layout of your Event Operating Plan. Please note, the City reserves the right to shut down an event due to severe weather.)

The City recommends planning for all potential severe weather hazards that could occur during an event. For weather events considered a tropical storm or higher, the City recommends a 72-hour “cone of uncertainty” period prior to the event to trigger event cancellation or shutdown. For severe thunderstorms or tornadoes, the City recommends event cancellation “until further notice” at the issuance of a severe thunderstorm/tornado warning. Further, please identify safety locations in which you will move attendees in case there is a need to shelter or move locations in your Event Layout of your Event Operating Plan.

The City must be named as an additional insured on all policies, except Workers' Compensation and all policies shall provide a Waiver of Subrogation in favor of the City of Sugar Land. Insurance shall be written by a company licensed in Texas and written by a company with AM Best Rating of B+ VII or better. Insurance policies shall not be cancelled or modified without written notice to the City of Sugar Land. Certificates of insurance for all of the above insurance policies shall be furnished to the City of Sugar Land on an "occurrence" form only.

An applicant has the right to show cause why the insurance requirement should be reduced or waived, and to present such request in writing to the Administrator. Upon receipt of the request, the Administrator and Risk Manager will review the request and respond to the applicant within ten business days from the date the request was received. If a mutually agreeable insurance limit cannot be agreed upon, the application will be considered denied.

Indemnification: The Applicant and any other persons on whose behalf the application is made must agree in writing that they will, indemnify and hold the City and its employees, vendors and contractors, harmless against liability for any and all claims, judgments and associated legal expenses and costs and for claims and litigation arising out of the special event including, but not limited to, those for damage to property or injury to or death of persons. The agreement shall be in a form approved by the City attorney.

SIGNATURE:

By signature below, I certify the above information to be true and correct. Any misinterpretation made in this application, intentionally or otherwise, is valid grounds for permit denial both in the present and at all future times. If any required information is missing with the submittal, it could delay the processing of this application.

If the date and or location requested is not available, or if the requested location is not an appropriate site to conduct your proposed event, the department will contact you and an alternate location or date will be suggested as available. Your confirmation will be in the form of a permit, issued to the organization and/or person responsible for planning the event. Do not publicize your event until conditional permit approval has been confirmed. The submission of this application is NOT automatic approval to hold an event on public property. The permit, if granted, is not transferable and is revocable at any time at the absolute discretion of the City of Sugar Land.
