## MUSEUM OF THE KANSAS NATIONAL GUARD

### TOGETHER WE STAND

Loaded with artifacts, the Museum of the Kansas National Guard is a must for history buffs. Artifacts on display range in era from the Civil War to the War on Terror. Indoor and outdoor exhibits include: military artifacts, weapons and vehicles, as well as a replica of The Swamp from the television series *M\*A\*S\*H\**. Plan to spend two hours or more. In addition to the visually appealing artifacts, the museum houses an extensive military research library.
