## THE RULES

- As a minimum, each participating restaurant **MUST** offer a specially discounted two item lunch and discounted two or more items dinner menu at \$10 (lunch), \$25, \$30, & \$35 (dinner) everyday during Topeka Restaurant Week. *This should be a deal that customers cannot regularly enjoy. Beverages are not required, but may be added to incentive the deal.*
- All discounts and menus will be reviewed by Visit Topeka before being posted to the website. *Recommended price discounts are 25 – 50% off normal pricing. The better the discount, the better the customer response.*
- Additionally, \$2 from every lunch sale and \$3 from every dinner sale will go towards Harvesters. We are *encouraging every participant to allow a table set up with information about Harvester's and the BackSnack program be displayed at participating restaurants.*
- There is no charge for any restaurant to take part in Restaurant Week.
- Visit Topeka will promote each restaurant through various social media outlets and will dedicate a website page to Restaurant Week.
