

**Shunga Trail** – This 8-mile paved concrete pedestrian/bicycle trail begins at Crestview Park (near SW 27th and Fairlawn) and continues east to SE 2nd. The trail will eventually stretch across Topeka. The 10-foot wide path runs along the Shunga Creek Corridor through parks, residential areas and into the downtown area. Topeka Metro Bikes are accessible at Crestview Park.

**Lake Shawnee Trail** – This popular 7.2-mile paved concrete pedestrian/bicycle trail encircles Lake Shawnee offering scenic views of the lake and passing by the Lake Shawnee Overlook, Ted Ensley Gardens, Lake Shawnee Golf Course and Bettis Family Sports Complex. Topeka Metro Bikes are accessible at the Marina and Campground.

**Dornwood Nature Trail** – 6-miles of natural surface, woodland hiking trail accessible from SE 25th and Highland.

**Landon Trail** – 4.75-mile paved and gravel trail along an abandoned railroad track running from SE 15th to SE 45th.

**Azura Trails at Skyline Park** – Four single-track, natural surface loop trails comprising 4.7 miles of natural surface trails through wooded and prairie areas.

**Warren Nature Area** – 4 miles of natural surface trails beginning at SW 25th and Gage east of Felker Park. The trail includes a wetland to slow and clean runoff water from streets and neighborhoods. Many birds, mammals and aquatic species can be found here.

**Welton Grove Park** – 3 miles of natural surface trails.

**Shawnee North Nature Trail** – 2-mile natural surface trail on undeveloped parkland comprised of grasslands and wooded areas. The first quarter-mile is asphalt paved for accessibility. A paved perimeter trail encircling the park is being added in 2016.

**Deer Creek Trail** – 2-mile trail from SE Golden to SE 6th and SE 6th to SE 10th.

**Grant-Bradbury** – Located west of Forbes Field, 2 miles of natural surface trails run through 80-acres of virgin prairie that has never been plowed. The area includes hundreds of native prairie species, some of which are scarcely found elsewhere in the state.

**Soldier Creek Trail** – 1.8-mile paved concrete bicycle/pedestrian trail from NE Garfield Park to NW Lyman Road.

**Oakland-Billard/Santa Fe Park Trails** – 1.6 miles of paved trail.

**Orville Rice Nature Trail** – 1-mile mowed grass single track trail following Shunga Creek from SW Gage to Shunga Glen Park.

**Freedom Valley** – .75-mile concrete path.

**Clarion Woods Trail** – .5-mile single-track trail through a red cedar forest.

**Brookfield Park** – .3-mile paved trail.

# Trail Guide

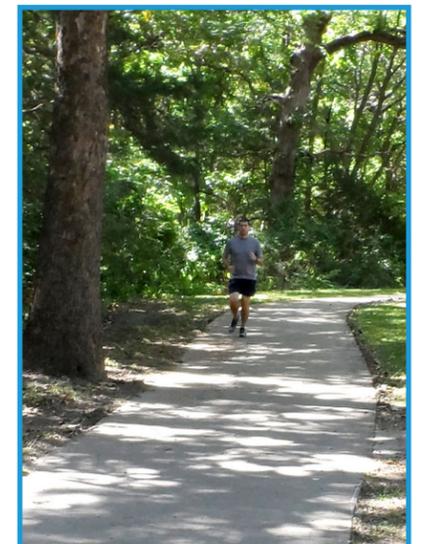

Shawnee County Parks + Recreation's 50 miles of trails offer a leisurely stroll with side ventures into beautiful gardens, or a hike, run or mountain bike ride up hilly terrain leading to panoramic views of the county. There are more than 27 miles of paved trails and nearly 23 miles of natural surface trails running through forested, prairie and open natural areas. The Master Plan for Shawnee County Parks + Recreation calls for increasing the number and length of trails in our community while connecting as many as possible.

In research for the Shawnee County Parks + Recreation Master Plan, respondents named trails and nature areas as the community's most desired parks and recreation amenity. We employ public/private partnerships to continually acquire land and add more trails.

A key partner is the Kansas Trails Council whose volunteers have contributed thousands of hours to building and maintaining many of our natural surface trails. Our paved trails have been constructed with a combination of public funding, federal grants and local grants from such organizations as the Sunflower Foundation. Other trail and nature areas are the result of private gifts and bequests.
