# Brain Health fair

Friday, April 15, 2016 • 10:00 a.m.—4:00 p.m.  
Vancouver Convention Centre • Ballroom ABCD  
Vancouver, BC, Canada

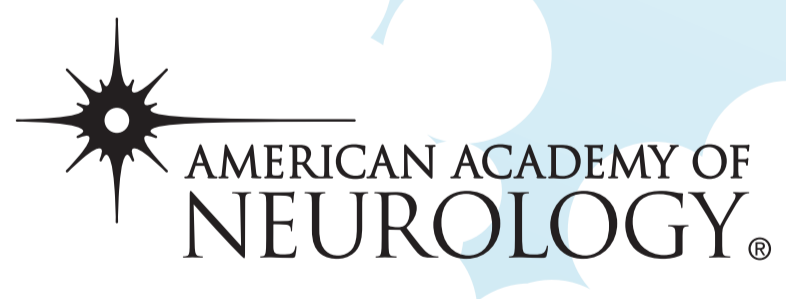

## For Anyone Interested in Brain Health!

Join us for this one-time-only event connecting hundreds of neurology patients, caregivers, students, and those interested in brain health. **Learn from some of the best and brightest neurologists in the world** about the wonders of the brain and the latest treatments for brain diseases such as **multiple sclerosis, dementia, epilepsy, stroke, Parkinson’s disease, movement disorders, headache, pediatric neurology, and others.**

- “Ask a neurologist” booth
- Prevention and healthy lifestyle tips
- Free resources
- Cranial nerve stations—learn about the nerves that govern your senses and more
- Opportunity to hold a human brain
- Chance to view animal brains—from mouse to dolphin
- Interactive walk-through brain
- Science fair
- Active games in the sports pavilion
- Free bike helmet giveaway
- And more...

## FREE LUNCH for attendees!
