INTO THE WILD

Into the Wild is now offering three new biking tours for clients of all ages with a spirit for adventure. All of their small group tours of 6-12 people are ideally suited for those who prefer active travel as a way to see the world. intothewild.ca

Gulf Island Hopping Tour

From Horseshoe Bay in West Vancouver, guests will take the scenic ferry ride across the Georgia Strait to Nanaimo and cycle along the Harbourfront trail to the Gabriola Ferry. Arriving at Gabriola, your clients will enjoy riding along quiet country roads and exploring the island's natural bounty of dramatic rock formations, tranquil beaches and lush forests. Lunch is served at Silva Bay Resort with breathtaking views of the Gulf Islands and Mount Baker.

Explore Vancouver by Bike

On this half day tour of Vancouver, your clients will explore all the natural and cultural highlights while learning about the city's rich history. This tour sets off from Stanley Park, riding along the seawall through English Bay and over Burrard Bridge to Granville Island, then exploring at leisure before taking a water taxi to Olympic Village and Science World. Guests will then continue on to Dr. Sun Yat-Sen Classical Chinese Garden in Chinatown and onto Gastown, delving into Vancouver's vibrant history and humble founding.

A Taste of Vancouver Island

This single day tour explores the natural highlights of Southern Vancouver Island. Guests will take the ferry from Tsawwassen to Swartz Bay and begin the day riding the Lochside Trail through the Saanich Peninsula, followed by lunch served at a local "farm to table" café. After lunch, the tour continues to Elk/Beaver Lake Provincial Park where guests will cycle around the lake before stopping off at a local winery to enjoy the opulent wines this region offers. The tour concludes by following quiet country roads to the ferry terminal for the return journey to Vancouver.

CANADIAN OUTBACK RAFTING CO.

The new Babine River Rafting Expedition goes deep into one of the few remaining pristine and untouched areas of the world. Over 6 days, your clients will experience the thrill of class IV white-water rafting, encounter wildlife in the most natural setting and rejuvenate themselves in a sacred headwaters river integral to the area's native heritage. Combining the beautiful narrow canyon rapids of the Babine River, the exhilarating waves of the Skeena River, the amazing scenery of the Coast Mountain Range and more wildlife than you can count, this 6-day rafting trip is the best adventure expedition in all of BC. canadianoutbackrafting.com
