You'll see artisans at work at George's Furniture, where handcrafted tables, chairs and more all bear the signatures of their proud creators. Or watch as students learn the intricate trade of watch and clock making at the York Time Institute, and sample potato chips fresh off the line at Martin's Potato Chips, a tasty experience unique to York.

Other favorites such as Sunrise Soap Company, Oakworks and Microtrac Inc., all return for another year. You'll be surprised to learn just how far York County's manufacturing reach goes.
