Pine Grove Furnace State Park

Pine Grove Furnace State Park is in a beautiful mountain setting in southern/central Pennsylvania. Surrounded by Michaux State Forest, Pine Grove Furnace features two lakes, 25-acre Laurel Lake and 1.7-acre Fuller Lake, a historic area of the Appalachian Trail, and the site of the last charcoal iron furnace. For More Information Contact: Pine Grove Furnace State Park, Tamaqua, 17923; 717-486-7575.

Directions
The park is easily reached from I-81. Visitors should take Exit 17 to PA 233 south toward the east.

Reservations
Make online reservations at: www.visitPAparks.com or call toll-free 888-PARKS PA, 7 a.m. to 9 p.m., Monday through Saturday, for state park information and reservations.

Recreational Opportunities
The diverse habitats of Pine Grove State Park provide a variety of wildlife throughout all seasons. The historic area of the park contains a variety of open areas, woods, and vegetation that make the area unique to wildlife.

Wildlife Watching
• Native wildlife such as deer, turkey, and raccoon can be observed in the park.

Directions
To reach Pine Grove Furnace State Park from US-322, follow the signs and head northeast on PA-225 for approximately 15 miles. The state park is on the right hand side of the road. For more information contact: Pine Grove Furnace State Park, 110 Pine Grove Road, Tamaqua, 17923; 717-486-7575.

KINGSTON-ENVIRONMENTAL EDUCATION CENTER:
K-E-E-C offers environmental education programs from the pre-school environmental awareness program to environmental problem solving programs.

MICHAELS STATE FOREST:
This 5,000-acre forest surrounds Pine Grove Furnace State Park and is well stocked with riparian buffer zones and woodlands of mature pines and hemlocks. It is a time that many animals are preparing for the winter months. Many picnic tables are scattered in several destinations like sheets, linens and dishes.
