

Peanut butter & jelly is the greatest sandwich ever invented. It's nostalgic. It's delicious. It's versatile and convenient.

Due to the overwhelming success of its Hot Chocolate Bar this past winter, The Chanler at Cliff Walk is excited share its next seasonal venture. Starting April 1 (through May 19), the hotel will transform the outdoor terrace into a Gourmet Peanut Butter Jelly & Wine Pop-Up Lounge. The space will provide a porch-like atmosphere with Adirondack chairs, tables and other furniture for guests to relax and socialize. Available daily from 12-5 p.m. Enjoy uniquely designed PB&J combinations with suggested wine pairings (other alcoholic and non-alcoholic beverages will be available including milk).
