Attractions

Monday–Sunday, July 31–August 6

Sloan Museum

1221 E. Kearsley Street, Flint • (810) 237-3450 • sloanlongway.org

(Monday-Friday 10 a.m. to 5 p.m. and Saturday & Sunday 12 p.m. to 5 p.m.) Enjoy regional history, historic automobiles and hands-on science

activities where children and adults can explore principles of chemistry and physics through exhibits and staff presentations.

"Titanic: The Artifact Exhibition" – Take a journey back in time and experience the legend of Titanic like never before. The galleries in this fascinating exhibition feature over 100 real artifacts recovered from the ocean floor along with room recreations and personal stories; each highlighting a different chapter in the compelling story of Titanic's maiden voyage. Tickets to the exhibition are timed. Advance purchase is recommended, which can be reserved online or by calling the number above.

"Collecting Flint from A to Z" – The Sloan Museum has a variety of artifacts, nearly 400,000 of them! You name it, they probably have one. A large, eclectic collection is required to accurately record the last 200 years of life in Flint & Genesee. This exhibit highlights 26 groups from Sloan's vast and varied collection, normally hidden away in storage. Each alphabetized set reveals something about Flint's shared history. View historic automobiles, firearms, radios, wedding dresses, beer, blueprints and everything in-between.

"20th Century Gallery" – This exhibit takes visitors on a fascinating journey through Flint in the 20th century – from the birth of the auto industry to the present. Encounter the ups and downs of General Motors, the birth of the UAW, Flint's role as the "Arsenal of Democracy" and what life was like during the 50s, 60s and 70s. The gallery displays over 600 artifacts and photographs, including rare antique automobiles, colorful neon signs, period clothing, household furnishings and commercial goods.

Monday–Sunday, July 31–August 6

Longway Planetarium

1310 E. Kearsley Street, Flint • (810) 237-3409 or (810) 237-3400 • sloanlongway.org

Due to the dark planetarium environment, shows listed below are recommended for children 4 years and older. No late seating and no re-entry after show begins. Tickets go on sale ½ hour before showtime. Shows are subject to change without notice. Please call ahead to confirm.

"Perfect Little Planet" (Show starts Monday-Friday 11:30 a.m. and Saturday & Sunday 4:30 p.m.) Discover our solar system through a new set of eyes – a family from another star system seeking the perfect vacation spot. Fly over the surface of Pluto, our best-known Dwarf Planet. Dive over the ice cliffs of Miranda. Sail through the rings of Saturn. Feel the lightning storms of Jupiter. Walk on the surface of Mars. Which destination would you choose? Great for ages 7 and older.

"We Are Stars" (Show starts daily 12:30 p.m.) What are we made of? Where did it all come from? Narrated by Andy Serkis, explore the secrets of our cosmic chemistry and explosive origins. Connect life on Earth to the evolution of the Universe by following the formation of Hydrogen atoms to the synthesis of Carbon and the molecules for life. Recommended for ages 10 and older.

"Eclipse: The Sun Revealed" (Show starts daily 2:30 p.m.) This show uses beautiful visuals to explore the historical and cultural view of solar and lunar eclipses and explains the geometry that creates the awe-inspiring sight. Learn how to safely watch an eclipse and about scientific discoveries that have been supported by total solar eclipses. Recommended for ages 6 and up.

SEE ENTERTAINING

See what's happening in and around Flint & Genesee for the week of July 31–August 6 

“Skies Over Michigan” (Show starts daily 3:30 p.m.) Learn about the rotation of the Earth, find the North Star and the way around the night sky, what a constellation is and which are visible in the current night sky. Also, learn about Moon phases, the daily and monthly motion of the Moon through the sky, visible planets and their movement among the stars.

“Sea Monsters” (Show starts Friday & Saturday 7 p.m.) Journey 80 million years back in time to an age when mighty dinosaurs dominated the land and an equally astonishing assortment of ferocious creatures swarmed, hunted and fought for survival beneath the vast, mysterious prehistoric seas. Stunning, photo-realistic imagery re-creates the perilous underwater realm of two young, dolphin-sized marine reptiles called Dolichorhynchops, or Dollies, and follows their incredible journey through waters ruled by some of the most awesome predators ever to prowl the Earth’s oceans.

“Mysteries of the Unseen World” (Show starts Friday & Saturday 8 p.m.) Presented by National Geographic Entertainment and Day’s End Pictures, take an extraordinary journey into unseen worlds and hidden dimensions beyond our normal vision to uncover the mysteries of things too fast, too slow, too small or simply invisible. The film uses innovative high-speed and time-lapse photography, electron microscopy and nanotechnology to transport audiences to an enthralling secret world of nature, events and breathtaking phenomena not visible to the naked eye. Recommended for ages 12 and older.

“Accidental Astronauts” (Show starts Saturday & Sunday 1:30 p.m.) Follow the adventures of Sy, Annie and their dog Armstrong as they embark on an unexpected journey into space. Explore the Earth, Sun and Moon with a wise-cracking starship computer. Follow an asteroid as it crashes into the Moon and bounce along on the lunar surface. Then, get up close and personal with a solar system. This show is a space adventure for all ages.
