

PRAMOD KULKARNI RECOGNISED AS DIGITAL ICON AT CIO POWER LIST 2018 BY CORE MEDIA

MAY 6, 2017

Pune, Maharashtra, May 6, 2017– The 4th edition of CIO POWER LIST with Knowledge Partner KPMG recognised outstanding ICT leaders setting new benchmarks and playing a vital role in shaping technology debates and facilitating an exchange of business ideas. This league of extraordinary CIOs has embraced transformation through a process of continuous digital discovery.

Pramod Kulkarni, Corporate VP - Revenue Mgmt, IT, Brand Marketing, MIS, The Ambassador Group - Narangs International Hotels Pvt Ltd, was awarded as a Digital Icon at CIO Power List 2018.

I am extremely honored and grateful to be a part of CIO POWER LIST 2018 to receive DIGITAL ICON award as top influential CIO. This was one of the most successful event of recognising Technology innovation and talent in India. I am grateful being a part of Narangs International Hotels Pvt. Ltd. – Ambassador Group of Hotels and Ambassador’s Sky Chef, appreciate that I always got a platform to implement innovative ideas and leverage digital transformation. With use of latest technology & implementing digital platform we have seen exponential growth in our top line and thus helped us in accomplishing healthy bottom line with satisfied customers. We are celebrating NIHPL team’s efforts towards contributing digital transformation and best IT practises.

Adding to it, Arvind Ghei COO, Narangs International Hotels Pvt. Ltd. (Ambassador Group) said, “We are proud to have Pramod in our team. He understands the importance of delivering suitable technology & digital solutions to facilitate hotels and flight catering operations. Digital presence for NIHPL & innovative techniques implemented by Pramod played an important role in accomplishing Organization’s Goals. I am sure under Pramod’s IT leadership, we can truly deliver digital operations that revolutionizes Hospitality Business.”
