4.4 Performance Warranty. Snyk warrants that the Services will perform substantially in accordance with the Documentation and that all Support will be performed with reasonable skill and care ("**Performance Warranty**"). If the Services and Support do not conform with the foregoing Performance Warranty, Snyk will, at its expense, use reasonable efforts to promptly correct any such non-conformance, provided that should Snyk fail to cure such non-conformity, Customer shall be permitted to terminate the applicable Services or Support designated in the applicable Order Form(s) and receive a pro-rata refund of any pre-paid Subscription Fees for such Services not delivered as of the date of termination. The remedies set forth in this Section 4.4 constitute Customer's sole and exclusive remedy for any breach of the Performance Warranty.

4.5 Disclaimers. Customer acknowledges and agrees that: (a) the Performance Warranty does not apply to the extent of any non-conformance which is caused by use of the Services by Customer that is not in accordance with the Documentation; (b) the Services will evolve over time and that functionality may be added and removed from time to time, provided that Snyk will not materially degrade the overall functionality of the Services; and (c) Customer's use of the Services may not be uninterrupted or error-free. 4.6 Customer Obligations. Customer is solely responsible for: (a) managing access rights for its Users and removing such access rights from Users who should no longer have access to the Services; (b) any Users' access and use of the Services not in accordance with this Agreement; (c) ensuring that its network, environment and systems comply with the relevant specifications set out in the Documentation; (d) ensuring the legality, integrity, and accuracy of Customer Data provided to Snyk; (e) assessing each Vulnerability based on Customer's own circumstances, environment, and risk assessments and accepting or rejecting Snyk Fixes accordingly; and (f) setting its own controls, severities, priorities or permissions within the Services. Customer also agrees to comply with all laws, rules, and regulations applicable to its business and performance under this Agreement, including to the extent applicable, the UK Modern Slavery Act 2015 and other human rights and sanctions laws.

4.7 Third Party Features. The Services may contain features designed to interoperate with applications or services separately provided to Customer by third parties, such as source code management services or other security scanning platforms or applications. Any operation or transaction completed via any third-party website, system, platform, or application is between Customer and the relevant third party. Snyk cannot guarantee the continued availability of such features; accordingly, Snyk may cease providing interoperability with them at any time, including if the relevant third-party ceases to make its application or service available for interoperation with the Services or changes the way it does so in a way that is not reasonably acceptable to Snyk.

4.8 Beta Services. From time to time, Snyk may make Beta Services available to Customer at no charge. Beta Services are made available "AS IS", Snyk makes no representations or warranties of any kind, whether express, implied, statutory, or otherwise regarding Beta Services, and Snyk shall have no liability of any kind arising out of or in connection with Beta Services. The SLA does not apply to Beta Services. Customer may choose to try such Beta Services in its sole discretion. Snyk may discontinue Beta Services at any time in its sole discretion and may never make them generally available.

4.9 Specific Terms. Certain Applications and Tools have specific terms associated with their use as follows:

(a) Snyk Tools. The Tools are intended to be used as an interface between the Services and an external application or repository operated and controlled by Customer. Customer may access and use the Tools solely to enable its use of the Applications as permitted under this Agreement. Snyk may rate-limit, throttle or otherwise restrict usage of the Tools to prevent what it considers (in its absolute discretion) to be abuse, security issues, or excessive use. Snyk will use reasonable endeavours when applying such restriction to return a descriptive error message. No warranty or representation is made as to its compatibility with any software or technical protocols or standards.

(b) Snyk API & Web. Snyk API & Web ("SAW") is a web application vulnerability scanner cloud-based solution that has been designed to operate against web applications where connectivity exists between Snyk's servers and the server hosting the web application being tested. The following additional terms apply to Customer's access to and use of SAW: (i) Customer shall not, and shall not encourage or assist any third party to, access or use SAW in any manner intended to improperly avoid incurring fees or to exceed usage limits or quotas; and (ii) Customer acknowledges and agrees that use of any DAST tool, including SAW, in connection with production environments or live data involves inherent risks, and accordingly assumes responsibility for the appropriate deployment and use of SAW, including backing up data and taking reasonable precautions before testing begins.

4.10 Consulting Services. Customer may opt to purchase à la carte consulting services to be provided on a time and materials basis as mutually agreed upon in a statement of work signed by both parties ("**Consulting Services**"). The statement of work will describe the scope of the Consulting Services as well as the fees to be paid. The statement of work may include terms that amend or supplement the terms in this Agreement as those terms specifically apply to Snyk's or, if applicable, its third-party partners', delivery of the Consulting Services.

4.11 Evaluation Services.

(a) Availability. From time to time, Snyk may make additional Applications or features available to Customer for evaluation at no charge through a \$0 Order Form ("Evaluation Services"). Evaluation Services are made available to allow Customer to assess their suitability for Customer's software development lifecycle and security requirements.

(b) Evaluation Period. Notwithstanding anything to the contrary in Section 11.1 below and unless otherwise specified in the applicable Order Form, the evaluation period for Evaluation Services shall be thirty (30) calendar days from the start date specified in the Order Form ("Evaluation Period"). Either party may terminate access to Evaluation Services at any time during the Evaluation Period upon seven (7) days' prior written notice.

(c) Limited Rights. Customer's rights with respect to Evaluation Services are limited to Customer's internal testing and assessment of such Evaluation Services for the sole purpose of determining their suitability for Customer's business requirements. Customer shall not use Evaluation Services for any production, commercial, or operational purposes.

(d) Additional Restrictions. In addition to the restrictions set forth in Section 3.1, Customer shall not: (i) use Evaluation Services beyond the Evaluation Period; (ii) use Evaluation Services for any purpose other than internal evaluation and testing; or (iii) permit any third party to access or use the Evaluation Services.

(e) No Warranties; AS IS. Evaluation Services are provided "AS IS" without any warranties, representations, or guarantees of any kind. Snyk makes no representations or warranties regarding the performance, reliability, or suitability of Evaluation Services for any particular purpose. The Performance Warranty set forth in Section 4.4 does not apply to Evaluation Services. Notwithstanding anything to the contrary contained in Section 10 below, Snyk's total aggregate liability in connection with the Evaluation Services shall not exceed one hundred US Dollars.

(f) No Support; No SLA. Unless otherwise specified in the applicable Order Form, Evaluation Services are provided without Support and the SLA set forth in Schedule 1 does not apply to Evaluation Services.

(g) Conversion to Paid Services. Customer may convert Evaluation Services to paid Services by executing a new Order Form with applicable Subscription Fees. Any such conversion shall be subject to the terms and conditions of this Agreement.

5. DATA PROCESSING ADDENDUM, SECURITY ADDENDUM, AND AUDIT RIGHTS

5.1 Data Processing Addendum. To the extent that Snyk processes Personal Data on Customer's behalf when performing its obligations under this Agreement, the Data Processing Addendum (the "**DPA**") displayed at <https://snyk.io/policies/dpa/> will apply and form part of this Agreement.

5.2 Information Security Addendum. Snyc will employ security measures designed to protect Customer Data in accordance with the Snyc Information Security Addendum displayed at <https://snyk.io/policies/snyk-security-addendum/> (“ISA”) and will maintain its SOC2 Type 2 and ISO 27001 certifications referred to in the ISA, or equivalent successor standards, for the duration of this Agreement.

5.3 Usage Data. Snyc may (i) collect, analyse and otherwise process Usage Data internally for its business purposes, including for the purposes of security and analytics, to improve and enhance the Services, or for other development, diagnostic and corrective purposes in connection with the Services or other Snyc products or services, and (ii) publicly disclose Usage Data only in an aggregated and/or de-identified form in connection with its business in a manner that does not identify Customer or any of its Users. For the avoidance of doubt, Customer’s Inputs shall not be treated as Usage Data for the purposes of this Agreement, and Inputs remain subject to Section 6.4 (AI Compliance).

5.4 Audit Rights. Snyc will cooperate with reasonable requests by Customer for documentary audits of Snyc’s security and privacy practices. The time, duration, place, scope, and manner of the audit must be mutually agreed by the parties, but in no event will an audit be conducted more frequently than once per year. Upon receipt of a written request, Snyc will make available copies of its standard security questionnaire (e.g. SIG Lite and/or CAIQ) and any summary copies of third-party audit reports or evidence of certifications it maintains that apply to the Services. Taking into account the nature of the request and to the extent reasonably feasible from a technical and operational perspective, Snyc will provide Customer with any information necessary to enable Customer to comply with applicable law or request from a regulatory body, provided that Snyc will not release any proprietary or confidential information. If a regulator wishes to carry out an audit of Snyc or its activities under this Agreement, Customer will provide Snyc with no less than 30 days’ notice, unless the regulator has given less notice to Customer.

5.5 Security Incident and Notification Obligations. In the event of a breach of security resulting in an unauthorized or unlawful destruction, loss, alteration, disclosure of, or access to, Customer Data (including Personal Data, as defined in the DPA) (a “**Security Incident**”), upon becoming aware of the Security Incident Snyc will (i) promptly take reasonable action to mitigate the Security Incident, and (ii) without undue delay (and in any event within 72 hours), notify Customer of the Security Incident. Any such notification is not an acknowledgement of fault or responsibility. In addition, Snyc will provide reasonable assistance to Customer (and any law enforcement or regulatory official with proper jurisdiction) to fulfil Customer’s obligations under applicable law to investigate and respond to the Security Incident.

6. INTELLECTUAL PROPERTY RIGHTS

6.1 Snyc’s Intellectual Property Rights. As between the parties, all right, title, and interest in and to the Services, Documentation, and Usage Data, including all Intellectual Property Rights therein, are and will remain, with Snyc and/or its licensors. Customer has no right, license, or authorization with respect to any of the Services except as expressly set out in this Agreement.

6.2 Customer’s Intellectual Property Rights. As between the parties, Customer is and will remain the sole and exclusive owner of all right, title, and interest in and to all Customer Data, Code Assets and Outputs, including all Intellectual Property Rights relating thereto, subject to the rights and permissions granted in Section 6.3 (Grant of Rights to Snyc).

6.3 Grant of Rights to Snyc. Customer hereby grants all such rights and permissions in or relating to Customer Data, the Code Asset and Outputs as are necessary to enable Snyc to perform the Services and otherwise exercise its rights and obligations hereunder. All written or oral comments, ideas and suggestions made by Users to Snyc regarding the Services, Support, or Beta Services (including regarding product experience, functionality, performance, accuracy, consistency, and ease of use of the same) (“**Feedback**”) may be freely utilized by Snyc without attribution or compensation of any kind to Customer. Customer hereby irrevocably transfers and assigns to Snyc all Intellectual Property Rights embodied in, or arising in connection with, such Feedback.

6.4 AI Compliance. Snyc may use AI Models in the provision of the Services. Snyc will not use (or permit any of its Affiliates, sub-processors, or other third parties to use) any Inputs to train, enhance or improve any AI Models incorporated within the Services and more fully described in the Documentation. Snyc aligns its AI compliance program to industry standards and the principles of transparency, data governance, risk management, human oversight, and accountability, as follows: (a) Snyc will make available documentation describing the general nature and intended purpose of its AI Models used in the Services upon reasonable written request; (b) Snyc implements technical and organizational measures designed to promote data quality, security, and integrity in connection with its AI Models; (c) Snyc maintains processes designed to identify, assess, and mitigate risks associated with its use of AI Models in the Services; (d) Snyc implements its AI Models to support, not replace, human decision-making, and encourages Customer to implement appropriate human review of AI-generated outputs; and (e) Snyc maintains internal governance structures to oversee the development and deployment of its AI Models. The parties acknowledge and agree that the Services fundamentally process Code Assets, and are Personal Data agnostic; accordingly Snyc does not specifically orient its AI Model compliance program around bias or discrimination concerning natural persons.

7. SUBSCRIPTION FEES

If Customer elects to purchase the Services through a Channel Partner, payment for the Services will be governed by the terms agreed upon by and between Customer and such Channel Partner. Accordingly, Section 7.3 to 7.5 of this Agreement will not apply to Customer's payment obligations for such transactions. However, all other provisions of this Agreement remain in effect and will continue to govern Customer's use of the Services.

7.1 Subscription Fees and Audit. Customer agrees to pay the Subscription Fees set out in an Order Form for the duration of the Term. All Subscription Fees are non-cancellable and non-refundable unless otherwise set out in this Agreement. Snyk verifies its customers' use of the Services on a quarterly basis to ensure compliance with the Subscription Allocation. In the event such verification reveals that Customer's use of the Services exceeds the Subscription Allocation, Customer must reduce its usage of the Services to the amounts set out in the Subscription Allocation within 30 days of becoming aware of the overage, failing which, Snyk may invoice Customer for the associated additional Subscription Fees as priced in an Order Form for the remainder of the then-current Term. If Customer purchases additional Subscription Allocations part way through the Term, Subscription Fees shall be pro-rated for the remainder of the then-current Term.

7.2 Credits. If Customer purchases any Services under a credit model, such as Snyk Credits ("Credits"), those Credits form part of Customer's Subscription Allocation. Credits may be applied to various features and functionality of the Services and the number of Credits required will be deducted from Customer's Credit balance. Unless otherwise stated on an applicable Order Form, all Credits must be used within the term of such Order Form, after which any unused Credits will expire and cannot be redeemed, refunded, or credited. Credits are not redeemable for cash and are non-transferable. Upon exhaustion of Credits, Customer agrees to engage in good faith negotiations with Snyk to purchase additional credits and otherwise true-up Customer's consumption within 30 days.

7.3 Invoices. Customer will be invoiced in accordance with the billing frequency and payment terms on an Order Form and Customer will pay each invoice per such terms. If billing frequency and payment terms are omitted from an Order Form, Snyk's default billing frequency is annual, and the payment term is net 30 from the date of the invoice.

7.4 Currency and Taxes. All Subscription Fees are payable in US Dollars and exclusive of any applicable taxes. Customer is required to pay and bear any sales, use, value-added, goods and services, withholding, or similar taxes or duties, whether domestic or foreign, related to the transactions under this Agreement, other than taxes based on the income of Snyk. Customer will pay all amounts due under this Agreement in full without any set-off, counterclaim, deduction or withholding. If withholding is required under the laws of any relevant tax jurisdiction, withholding will be applied at the lowest applicable rate including the reduced rate of withholding under any tax treaty. Customer will also provide Snyk with a copy of the withholding tax certificate or other applicable documentation as proof of payment.

7.5 Renewal Subscription Fee Increases. Unless otherwise set forth on an Order Form, if an Order Form auto-renews pursuant to Section 11.1 below, Snyk may increase the Subscription Fees for each Renewal Term by no more than 5% over the prior year's Subscription Fees rate for the applicable Services.

7.6 Suspension of Service. If Snyk has not received timely payment of invoices or other amounts payable (including, where applicable, in the event of Credit over-consumption following the 30 day good faith negotiation period), Snyk may notify Customer of the default and, without prejudice to any other rights and remedies of Snyk, Snyk may disable Customer's access to all or part of the Services if payment has not been made within 10 Business Days of the date of the notice of default.

8. CONFIDENTIALITY

8.1 Each party ("**Recipient**") will be given access to Confidential Information from the other party ("**Discloser**") to perform its obligations under this Agreement. A party's Confidential Information shall not be deemed to include information that: (a) is or becomes publicly known other than through any act or omission of the Recipient; (b) was in the Recipient's lawful possession before the disclosure; (c) is lawfully disclosed to the Recipient by a third party without restriction on disclosure; or, (d) is independently developed by the Recipient without reference to, or reliance on, the Confidential Information of the Discloser, which independent development can be shown by written evidence. Customer's Confidential Information includes Customer Data, Customer's Code Assets, and Outputs. Snyk's Confidential Information includes the Services, Service Data, product roadmaps, pricing, and the results of any performance tests of the Services. The terms of this Agreement are confidential to both parties.

8.2 Each Recipient may disclose Confidential Information to the extent necessary to comply with applicable law or a court order, provided that prior to any such disclosure, the Recipient will, to the extent legally permissible, provide to the Discloser notice of such request and use reasonable efforts to ensure that all Confidential Information so disclosed is treated confidentially.

8.3 Each Recipient will hold the Discloser's Confidential Information in confidence and, unless required by law and disclosed pursuant to Section 8.2, not provide the Discloser's Confidential Information to any third party or use the Discloser's Confidential Information for any purpose other than as set out in this Agreement. The foregoing will not

apply with respect to any Confidential Information three (3) years after the termination or expiration of this Agreement (or, with respect to trade secrets, once such Confidential Information no longer constitutes a trade secret under applicable law).

8.4 Notwithstanding any provision of this Agreement, Recipient may disclose Discloser's Confidential Information, in whole or in part to its employees, officers, directors, consultants and professional advisers (e.g., attorneys, auditors, financial advisors, accountants and other professional representatives, collectively, with the foregoing, "**Personnel**") who have a need to know and are legally bound to keep such Confidential Information confidential by confidentiality obligations, or, in the case of professional advisers, are bound by ethical duties, to keep such Confidential Information confidential consistent with the terms of this Agreement. Recipient is responsible and liable for its Personnel's compliance with this Section 8, as if their actions or inactions were an action or inaction of Recipient.

9. INDEMNITY

9.1 Customer Indemnity. Customer shall defend and indemnify Snyk, its Affiliates, and each of its and their officers, directors, employees, consultants, agents, successors and assigns from and against all Losses incurred from a third-party claim arising out of Customer's: (a) fraud, gross negligence, or wilful misconduct; or (b) breach of Section 3.1 (Restrictions on Use).

9.2 Snyk Indemnity. Snyk shall defend and indemnify Customer, its Affiliates, and each of its and their officers, directors, employees, consultants, agents, successors and permitted assigns, from and against all Losses incurred from a third-party claim: (a) arising out of Snyk's fraud, gross negligence, or wilful misconduct; or (b) that the Services infringe such third party's Intellectual Property Rights.

9.3 Indemnification Procedure. Each party will promptly notify the other party in writing of any claim for which such party believes it is entitled to be indemnified pursuant to this Section 9. The party seeking indemnification (the "**Indemnitee**") shall cooperate with the other party (the "**Indemnitor**") at the Indemnitor's sole cost and expense. The Indemnitor shall promptly assume control of the defense and shall employ counsel to handle and defend the same, at the Indemnitor's sole cost and expense. The Indemnitee shall not at any time admit liability or otherwise settle or compromise or attempt to settle or compromise the said claim or action except upon the express instructions of the Indemnitor. The Indemnitee may participate in and observe the proceedings at its own cost and expense with counsel of its own choosing. Neither party may settle a claim that results in liability or admission of liability by the Indemnitee without the Indemnitee's written consent, which shall not be unreasonably withheld or delayed. The Indemnitee's failure to perform any obligations under this Section 9.3 will not relieve the Indemnitor of its indemnification obligations, except to the extent that the Indemnitor can demonstrate that it has been materially prejudiced because of such failure.

9.4 Mitigation. If any of the Services are, or in Snyk's reasonable opinion are likely to be, claimed to infringe, misappropriate, or otherwise violate any third-party Intellectual Property Right, or if Customer's use of the Services is enjoined or threatened to be enjoined, Snyk may, at its option and sole cost and expense: (a) obtain the right for Customer to continue to use the Services materially as contemplated by this Agreement; (b) modify or replace the Services, in whole or in part, to seek to make the Services (as so modified or replaced) non-infringing, while providing materially equivalent features and functionality, in which case such modifications or replacements will constitute Services under this Agreement; or, (c) by written notice to Customer, terminate this Agreement and require Customer to immediately cease any use of the Services, provided that Customer will be entitled to a refund of any pre-paid Subscription Fees for Services not delivered as of the termination date.

9.5 Exclusions. In no event shall Snyk, its Affiliates, and each of their employees, agents and sub-contractors have any liability or obligation under Section 9.2 to the extent the claim arises out of or relates to: (a) a modification of the Services by Customer; (b) any breach of Customer's obligations under this Agreement or Customer's use of the Services in a manner contrary to the Documentation; (c) Customer's use of the Services in combination with other products, services, data, or processes not recommended or provided by Snyk, where the alleged infringement would not have occurred in the absence of such use; (d) Customer's use of the Services after notice of the alleged or actual infringement from Snyk or any appropriate authority; or, (e) any Customer Data or Customer's implementation of Snyk Fixes.

9.6 Exclusive Remedy. THIS SECTION 9 SETS FORTH CUSTOMER'S SOLE REMEDIES AND SNYK'S SOLE LIABILITY AND OBLIGATION FOR ANY ACTUAL, THREATENED, OR ALLEGED CLAIMS THAT THE SERVICES INFRINGE, MISAPPROPRIATE, OR OTHERWISE VIOLATE ANY INTELLECTUAL PROPERTY RIGHTS OF ANY THIRD PARTY.

10. LIMITATION OF LIABILITY

10.1 EXCLUSIONS FROM LIABILITY. THE FOREGOING LIMITATIONS APPLY EVEN IF ANY REMEDY FAILS OF ITS ESSENTIAL PURPOSE.

11. TERM AND TERMINATION

11.1 Term. This Agreement will, unless otherwise terminated as provided herein, commence on the date of this Agreement and shall continue so long as there is an Order Form in effect. Unless otherwise terminated in accordance with the terms of this Agreement, the term of an initial Order Form will (unless otherwise specified in the Order Form) be 1 year from the date specified in the Order Form as the start date of Customer's subscription to the Services (the "Initial Term") and, thereafter, unless either party provides the other party with written notice of non-renewal at least 30 days prior to the end of the then current Term, will renew automatically for successive 1 year periods (each a "Renewal Term", and the Initial Term, together with any Renewal Term, the "Term"). The Initial Term together with any Renewal Term(s) shall constitute the Term of the Order Form.

11.2 Termination. Without affecting any other right or remedy available to it, either party may terminate this Agreement or an Order Form with immediate effect by giving written notice to the other party if: (a) the other party commits a material breach of any other term of this Agreement which breach is irremediable or, if such breach is remediable, the breaching party fails to remedy that breach within a period of 30 days after being notified in writing to do; (b) the other party ceases to function as a going concern or to conduct operations in the normal course of business; or, (c) the other party has a petition filed by or against it under any bankruptcy or insolvency laws which petition has not been dismissed or set aside within 60 days of filing. Snyk may additionally terminate this Agreement upon written notice to Customer if Customer fails to pay any amount due related to this Agreement on the due date for payment and remains in default not less than 10 Business Days after being notified in writing to make such payment (though termination does not relieve Customer of its payment obligation).

11.3 Effect of Termination. On termination or expiry of this Agreement and/or an applicable Order Form for any reason:

(a) the rights granted under Section 2 (Right to Use) shall immediately terminate except that Customer may continue to use (in accordance with the restrictions on use set out in this Agreement) Service Data and any Snyk intellectual property captured within Outputs provided to it prior to termination or expiry of this Agreement. Customer assumes sole responsibility and Snyk shall incur no liability risk resulting from any continued use of the Service Data following termination or expiration;

(b) Customer must promptly delete Customer's organization and projects from the Services by either activating the delete button in the Services or contacting Snyk's support team for deletion assistance;

(c) Customer shall immediately uninstall all Tools from all computer equipment in its possession or control and, upon written request from Snyk, will provide satisfactory evidence of the same; and,

(d) any rights, remedies, obligations, or liabilities of the parties that have accrued up to the date of termination or expiry, including the right to claim damages with respect to any breach of this Agreement which existed at or before the date of termination shall not be affected or prejudiced.

12. GENERAL

12.1 Interpretation. Headings are for reference only and do not affect the interpretation of this Agreement. Capitalized terms have the meanings indicated in this Agreement unless the context otherwise requires, which meaning will be equally applicable to both the singular and plural forms of such terms. The words "include," "includes," and "including" are deemed to be followed by the words "without limitation".

12.2 Force Majeure. Snyk shall have no liability to Customer under this Agreement if it is prevented from or delayed in performing its obligations under this Agreement, or from carrying on its business, by acts, events, omissions or accidents beyond its reasonable control, including, without limitation, strikes, lock-outs or other industrial disputes (whether involving the workforce of Snyk or any other party), epidemic, pandemic, failure of a utility service or transport or telecommunications network, act of God, war, riot, civil commotion, malicious damage, compliance with any law or governmental order, rule, regulation or direction, acts of or restrictions imposed by a government, regulatory or similar authority, accident, breakdown of plant or machinery, fire, flood, storm or default of suppliers or sub-contractors, provided that Customer is notified of such an event and its expected duration.

12.3 Survival. Any provision of this Agreement that expressly or by implication is intended to come into or continue in force on or after termination or expiry of this Agreement shall remain in full force and effect.

12.4 Severance. If any provision (or part of a provision) of this Agreement is found by any court or administrative body of competent jurisdiction to be invalid, unenforceable, or illegal, the other provisions shall remain in force. If any invalid, unenforceable or illegal provision would be valid, enforceable, or legal if some part of it were deleted, the provision shall apply with whatever modification is necessary to give effect to the commercial intention of the parties.

12.5 Waiver. No failure or delay by a party to exercise any right or remedy provided under this Agreement or by law shall constitute a waiver of that or any other right or remedy, nor shall it prevent or restrict the further exercise of that or any other right or remedy. No single or partial exercise of such right or remedy shall prevent or restrict the further exercise of that or any other right or remedy.

12.6 Amendment. Snyk may periodically update the terms of this Agreement. Snyk will notify Customer of updates via an email or a notification through the Services. Unless the notice states otherwise, the updated terms of this Agreement will become effective and binding 30 calendar days after it is posted. In the event that Customer reasonably objects in writing to any update to the terms of this Agreement, the parties may discuss in good faith with a view to achieving a commercially reasonable resolution. If no such resolution can be reached within 30 calendar days of Snyk's receipt of the objection, Snyk will (at its election) either not implement the update (or any part of the update which forms the subject of the objection) with respect to Customer's use of the Services, or permit Customer to terminate this Agreement (and any applicable Order Form(s)) without liability to either party. If this Agreement is terminated pursuant to this Section 12.6, Snyk will refund (or cause its Channel Partner to refund, where applicable) any pre-paid Subscription Fees (if any) for such Services not delivered as of the date of termination. If Customer continues to use the Services after the update becomes effective, Customer acknowledges that it will be deemed to have agreed to (and will be bound by) the updated terms. No other amendment or modification of this Agreement, including by Customer or, where applicable, by any Channel Partner, shall be effective unless it is in writing and signed by an authorized representative of each party.

12.7 Entire Agreement. This Agreement, and any Order Forms, exhibits, schedules, attachments, and appendices referred to in it, constitute the whole agreement between the parties and supersede any previous arrangement, understanding or agreement between the parties relating to the subject matter they cover. Each of the parties acknowledges and agrees that in entering into this Agreement it does not rely on any undertaking, promise, assurance, statement, representation, warranty or understanding (whether in writing or not) of any person (whether party to this Agreement or not) relating to the subject matter of this Agreement, other than as expressly set out in this Agreement. No terms included in any purchase order or other ordering document, or vendor invoicing service or similar platform or portal, maintained by or on behalf of Customer shall be binding or have any effect. Notwithstanding anything to the contrary, an Order Form executed by a Channel Partner may only modify invoicing, currency, taxes, and renewal fee terms, and no other modification of this Agreement shall be effective and binding on Snyk unless in writing and signed by an authorized representative of Snyk.

12.8 Assignment. Neither party may assign or transfer this Agreement or any performance rights or obligations under this Agreement without the prior written consent of the other party. Notwithstanding the foregoing, no consent is required for either party to assign this Agreement in its entirety to an Affiliate or to a successor of all or substantially all its assets through merger, reorganization, consolidation, or acquisition, provided that the assigning party provides notice of the assignment to the other party. No assignment shall relieve the assigning party of any of its obligations hereunder incurred prior to the assignment. Any attempted assignment, transfer, or other conveyance in violation of

the foregoing shall be null and void. This Agreement shall be binding upon and shall inure to the benefit of the parties hereto and their respective successors and permitted assigns.

12.9 No Partnership or Agency. Nothing in this Agreement is intended to or will operate to create a partnership between the parties, or authorize either party to act as agent for the other, and neither party shall have the authority to act in the name or on behalf of or otherwise to bind the other in any way (including, but not limited to, the making of any representation or warranty, the assumption of any obligation or liability and the exercise of any right or power).

12.10 Third Party Rights. This Agreement is for the sole benefit of the parties hereto and their respective successors and permitted assigns and nothing herein, express, or implied, is intended to or shall confer upon any other person any legal or equitable right, benefit, or remedy of any nature whatsoever under or by reason of this Agreement.

12.11 Notices. Any notice required to be given under this Agreement shall be in writing and sent by email to the other party's email address as set out below in this Agreement (or such other email address as the other party may have notified in accordance with this Section 12.11). Any notice of non-renewal by Customer to Snyk in accordance with Section 11.1 of this Agreement must be sent to renewals@snyk.io. A notice sent by email shall be deemed to have been received at the time of transmission.
