PAID CONTENT (ADVERTORIAL)

Our audience wants to read articles that cover marketing, advertising and media topics, and are also:

NEW // What can you tell our readers that they haven't heard before?

DISTINCTIVE // Do you have an unusual perspective on something?

HUMAN STORIES // Readers love hearing about personal stories - real responses to well-loved brands, things that touch the emotions.

USEFUL ADVICE // Do you have expertise in an area marketers/advertisers struggle with? What can you advise?

This option provides advertisers an opportunity to tell stories and deliver complex messages in a high quality advertorial-style format. Can be company profiles, case-studies, expert opinion/thought-leadership - either prepared by the advertiser or, for an extra cost, written by NZ Marketing journalists.

This type of content allows advertisers to contract our editorial team to use their judgement and skill to tell our readers your story in a compelling way, appropriate to our channels.

The content can be published in the magazine only, or also on **NZMarketingmag.co.nz** ans **StopPress.co.nz**

If you're looking to educate this sector about an industry issue or comment on an ongoing marcomms conversation this is an opportunity to deepen marketers' and agencies' understanding of trends and developments which may affect their businesses.

- for only two consecutive issues in the case of monthly titles, and for one issue in the case of less-frequently published titles
- from and including the issue at which any new rate increase takes effect.

Terms

Accounts for advertising space and production are due for payment within 20 days following the end of the month of publication.

Advertisers and their Advertising Agencies are jointly and severally liable for payments due under any contract.
