TEST 1

Procédure de vérification de l'impossibilité d'insertion / extraction avec DPX³ en position fermé
 Verification procedure of the DPX³ for non-insertion and non-extraction when in the closed position

**NOTICE À CONSERVER ET À REMETTRE AUX USAGERS
 THIS LEAFLET MUST BE KEPT AND PASSED ON TO THE USER**

**Respecter strictement les conditions d'installation et d'utilisation
 Strictly comply with instructions for installation and use**

Danger et avertissements / Danger and warnings

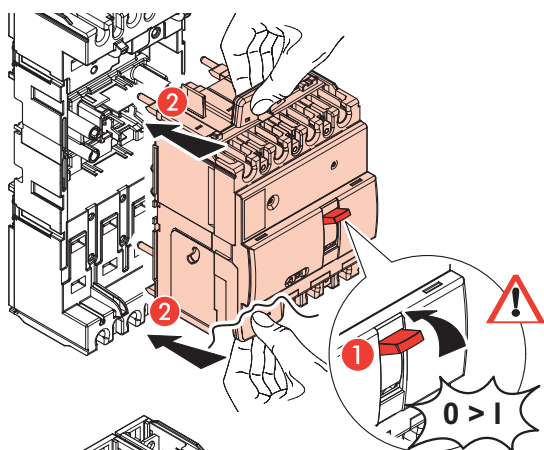

**L'installation et l'entretien de cet appareil ne doivent être effectués que par des professionnels
 The device must be installed and serviced by professionals**

- coupez l'alimentation générale de cet appareil avant toute intervention sur ou dans l'appareil
- switch off the the main power supply to the device prior to any work on or in the device
