SU210E

Connectable hydraulic crimping tools

Series: SU210

Network Type: [%NetworkTypeFR%]

Single acting connectable hydraulic crimping tool. U type head according to NF C33-090. Double spring system for powerful retraction.

Capacity

OutPut Force(kN)	200
OutPut Force (tnf)	22.48
Piston Stroke (mm)	35
Nominal Pressure(MPa)	70
Section Min	25
Section Max	630
Die	U13HCU... & U2

Characteristics

Length (mm)
Width (mm)
Height (mm)
Weight (kg)
