Electro-mechanical cable cutters

Series: ESK55

Network Type: [%NetworkTypeFR%]
Network Type: [%NetworkTypeEN%]

Electromechanical ratchet type cable cutter powered by the NEW 18,0V 5,0A Li-Ion battery BL1850B. This tool is equipped with a 360° rotating blade that is driven by rack system. The ergonomic handle is ideally positioned relative to the cable. The new automatic return feature is adjustable to save time and autonomy. A circuit breaker is interrupting the power supply in case of attempting cutting cable oversized to the tool capacity. The reset is automatic and allows tools return.

Capacity

Cutting Diameter (mm)
Cutting Diameter (in)

Characteristics

Length (mm)	210
Width (mm)	112
Height (mm)	400
Weight (kg)	3.2
Autonomy	100 to 120 cuts with a new 5Ah battery fully charged
