

1-10V DIMMABLE CONSTANT VOLTAGE LED DRIVERS

PLEASE READ THESE INSTRUCTIONS CAREFULLY BEFORE INSTALLATION
LEAVE A COPY FOR THE USER / MAINTENANCE ENGINEER FOR FUTURE REFERENCE

IMPORTANT INSTALLATION INFORMATION

- Installation should be carried out in accordance with the latest edition of the National Wiring Regulations. If in doubt consult a qualified electrician.
- For use with 12V and 24V constant voltage LED products.
- **IMPORTANT:** Constant voltage LED fittings MUST be wired in PARALLEL ensuring correct polarity. Failure to do so can cause permanent luminaire and/or driver failure. Insure that ALL electrical connections are tight with no loose strands.
- 1-10V Dimmable.

INSTALLATION INSTRUCTIONS

Isolate from the mains supply before installation or maintenance.

1. The mains supply should be connected to the Primary input terminals as follows:
Brown/Red – Live Blue/Black - Neutral
2. Constant voltage LED's must be wired in parallel ensuring correct polarity, See figure 1. Incorrect wiring can result in damage to the LED or driver.
3. Connect the 1-10V Dimmable output to a 1-10V Dimmer, Ensure the polarity is correct.
4. **Switch on the mains supply.**

To control multiple LED drivers connect the 1-10V output in parallel.
The correct Polarity must be maintained for all connections.

Environmental Protection (W.E.E.E.) – Aurora's WEEE Reg.No. WEE/BG0130YX(UK Only)

Waste Electrical & Electronic Equipment Regulations (WEEE) requires that any of our products showing this marking (left) must not be disposed of with other household or commercial waste. Aurora does not levy any WEEE disposal charges to its customers for affected WEEE related products. To prevent possible harm to the environment or human health from uncontrolled waste disposal, please separate any such product from other waste types and recycle it responsibly at your local facilities. Check with your Local Authority, Recycling Centre or retailer for recycling advice. If, when you purchased any Aurora product, your supplier included a WEEE disposal fee, you should then contact your supplier for advice on his takeback of the product for the correct disposal.

WARRANTY

See www.auroralighting.com for full details of warranties and Extended Warranty Terms and Conditions. The warranty is invalid in the case of improper use, tampering, and removal of the Q.C. date label, installation in an improper working environment or installation not according to the current edition of the National Wiring Regulations. Should this product fail during the warranty period it will be replaced free of charge, this is subject to correct installation and return of the faulty product. Aurora does not accept responsibility for any installation costs associated with the replacement of this product. This warranty is in addition to the statutory rights in your country of purchase. Aurora reserves the right to alter specifications without prior notice.
