Colour temperature: 2700K  
RA: 80  
Beam angle: 240°  
Dimmable: No

Bob is a modern, solar powered and transportable lamp designed by Danish designers Says Who. Design and functionality comes perfectly together - just grab the cordless lamp by the handle and place it wherever you need it. Bob creates a cosy ambience in the garden or on the terrace by turning on automatically when darkness falls. Suitable to place on Kettle spike or tripod, if you want to elevate your light.
