SAU400QE

Connectable hydraulic crimping tools

Series: SAU400Q

[[Label-NetworkType]]Network Type: [%NetworkTypeFR%]
[[Label-NetworkType]]

Single acting connectable hydraulic crimping tool. U type head according to NF C33-090 with tilting arms for better access. Double spring system for powerful retraction. Equipped with the swivelling hydraulic coupling 270°. This head is ideal for deep indent crimping of junction.

Capacity

- OutPut Force(kN)
- OutPut Force (tnf)
- Piston Stroke (mm)
- Nominal Pressure(MPa)
- Section Min
- Section Max
- Die

Characteristics

- Length (mm)
- Width (mm)
- Height (mm)
- Weight (kg)

Physical attributes
