

REMOTE CONTROL HANDLE FOR THE CT-902HP & CT-901HP HYDRAULIC PUMPS INSTALLATION INSTRUCTIONS

© Panduit Corp. 2019

Hook-Up for CT-902HP Pump:

1. Unplug the Hydraulic Pump power cord from the electrical receptacle.
2. Remove the upper cover (Blue=120V; Yellow=220V) from the CT-902HP Hydraulic Pump by removing the four (4) socket head cap screws and washers. Set the upper cover and fasteners aside.
3. Disconnect any current controller from the hydraulic pump by disconnecting the controller cable wires from the hydraulic pump. The controller cable is easily disconnected by unplugging the bullet-type disconnects. Make a note of the cable wires connections (color-coding) in the event that the controller would be re-installed.
4. Connect the CT-902RCH Remote Control Handle to the Hydraulic Pump by connecting the remote control handle cable, following the wiring diagram below. Replace cover.

120 V Units: (shown in illustration)

- Step 1: Connect the **Black** on Remote Control Handle to the **Blue** on Pump.
- Step 2: Connect the **Green** on Remote Control Handle to **Yellow** on Pump.
- Step 3: Connect the **White** on Remote Control Handle to **Black** on Pump.

220 V Units: (not shown)

- Step 1: Connect the **Black** on Remote Control Handle to the **Black** on Pump.
- Step 2: Connect the **Green** on Remote Control Handle to **White** on Pump.
- Step 3: Connect the **White** on Remote Control Handle to **Red** on Pump.

See Page 2 for CT-901HP Hook-Up

Hook-Up for CT-901HP Pump:

1. Unplug the Hydraulic Pump power cord from the electrical receptacle.
2. Remove the upper (orange) cover from the CT-901HP Hydraulic Pump by removing the four (4) socket head cap screws and washers. Set the upper cover and fasteners aside.
3. Disconnect any current controller from the hydraulic pump by disconnecting the controller cable wires from the hydraulic pump. The controller cable is easily disconnected by unplugging the bullet-type disconnects. Make a note of the cable wires connections (color-coding) in the event that the controller would be re-installed.
4. Connect the CT-901RCH Remote Control Handle to the Hydraulic Pump by connecting the remote control handle cable, following the wiring diagram below. Replace cover.

- Step 1: Connect the **Black** on Remote Control Handle to the **Black** on Pump.
- Step 2: Connect the **Green** on Remote Control Handle to **Red** on Pump.
- Step 3: Connect the **White** on Remote Control Handle to **White** on Pump.
