

PRODUCT-DETAILS

# 6541-24G

## Cover Plate for Cooling Central cover plate studio white - alpha

### Informations générales

|                              |   |
|------------------------------|---|
| Extension du type de produit | 6541-24G  |
| Code de produit              | 2CKA006599A2332   |
| EAN                          | 4011395708606   |
| Description courte           | Cover Plate for Cooling Central cover plate studio white - alpha  |
| Description longue           | For KNX room temperature controller object 6109/08.<br>For Busch-Universal master dimmer power module 6594 U. |

### Installation

|                         |                    |
|-------------------------|--------------------|
| Instructions et manuels | No document needed |
|-------------------------|--------------------|

### Technique

|  |                                       |
|--|---------------------------------------|
| Fiche produit, informations techniques | No document needed                    |
| Application                            | Cooling                               |
| Design Range                           | alpha<br>alpha exclusive<br>alpha nea |
| Type de montage                        | Flush Mounted                         |
| Type of Fastening                      | Clamp                                 |
| Finition de surface                    | Untreated                             |

|                      |                                   |
|----------------------|-----------------------------------|
|                      | Glossy                            |
| Matériau             | Thermoplastic                     |
| Pictogramme          | None                              |
| Model Number         | Central cover plate               |
| RAL Number           | RAL 9016 - Blanc signalisation    |
| Couleur              | studio white                      |
| Application Function | Electrical Load and Light Control |

## Environnement

|   |  |
