

specifications

The 150mm and 300mm Vertical Cable Managers (VCM) mount on the FlexCore™ Optical Distribution Frame (ODF). The 150mm VCM facilitates distribution and breakout of optical cables and assemblies to relevant FlexCore™ enclosures with the Frame. The 300mm VCM allows cable assemblies to be customized for managing slack and optimizing fiber bend radius.

key features and benefits

Feature	Benefit	FDFVCM1545GY	FDFVCM3045GY
		150mm	300mm
Modularity	VCMs can be installed on any side of a rack or another vertical cable manager, allowing customization of the assembly	x	x
Fiber friendly spools	2.4" Minimum Bend Radius	x	x
Front-to-back pass-openings	Includes three (3) 8.5" x 8.5" openings for front-to-back passage of jumpers, for use in back-to-back applications	–	x

general specifications

Access	Front
Application	Installed on left or right of rack or other vertical cable manager
Color	Gray or Black
Mounting	FlexCore™ Frame or FlexCore™ VCM

material specifications

Finish	Powder coated
Material type	Steel
