Hook and Loop Cable Ties – Stacked Strips

PANDUIT expands its line of *TAK-TY*® Hook & Loop Cable Ties with the introduction of the [7-inch length stacked strips product](#). Available in convenient 100-piece packages, this innovative design eliminates the need for cutting ties to length and staging them for each job, saving installers time and effort. Stacked strip ties have rounded edges for installer safety and are available in a wide range of colors. *TAK-TY*® Hook and Loop Cable Ties protect against over-tensioning of high performance fiber and copper cables and the releasable design accommodates frequent moves, adds, and changes.
