

Komponenten Aufbau

Components surface mount | Composants montage en apparent

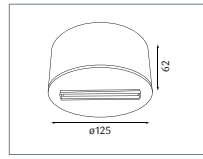

Aufbauschiene | Surface track | Rails en saillie

1000 mm	676001 #
2000 mm	676002 #
3000 mm	676003 #

Farben | Colours | Couleurs:

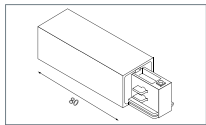

weiß | white | blanc = **WS** schwarz | black | noir = **SW** aluminium = **AL**

Punktauslass | Monopoint | Patère

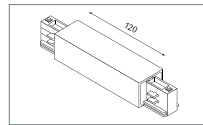

● silber silver argent	71999023
○ weiß white blanc	71999021
● schwarz black noir	71999022

Belastbar bis 10 kg; inkl. Daten-Bus-Kontakten; für Deckenstärke bis max. 25 mm
Load capacity 10 kg; data bus pins included; suitable for false ceilings up to 25 mm
Résistant jusqu'à 10 kg; connexion bus de données incluse; pour faux plafonds de 25 mm

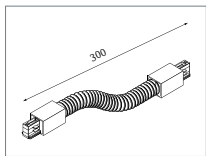

Endeinspeisung | Power end feed | Alimentation

links left à gauche	676004L #
rechts right à droite	676004R #

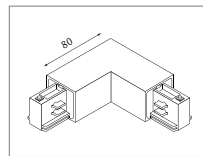

Mitteinspeisung | Central power feed | Alimentation centrale

120 mm	676007 #
--------	----------

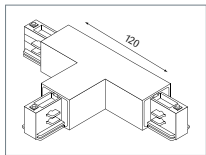

Flex-Verbinder | Flexible connector | Raccord flexible

300 mm	676010 #
--------	----------

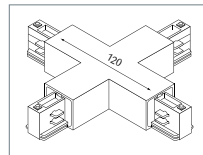

Eckverbinder | Connector | Raccord 90°

aussen outside l'extérieur	676008L #
innen inside dedans	676008R #

T-Verbinder | T-Connector | Raccord en T

links left à gauche	676012L #
rechts right à droite	676012R #

Kreuzverbinder | Cross connector | Raccord en croix

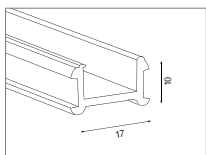

676022 #

Farben | Colours | Couleurs:

weiß | white | blanc = **WS**

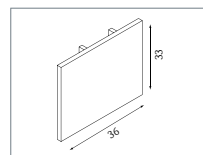

schwarz | black | noir = **SW**

silber | silver | argent = **SI**

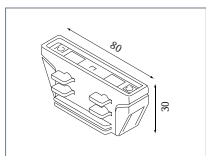

Abdeckung | Cover | Cache

○ weiß white blanc	1000 mm	676019WS
● schwarz black noir	1000 mm	676019SW

Endkappe | End cap | Embout

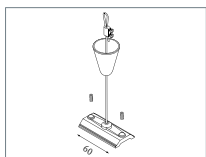

● silber silver argent	676011SI
○ weiß white blanc	676011WS
● schwarz black noir	676011SW

Längsverbinder | Line connector | Raccord en ligne

○ weiß white blanc	676006WS
● schwarz black noir	676006SW

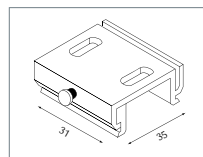

leitend | conductive | conducteur

Seilabhangung

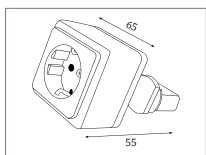

Cable suspension | Suspension par cable

○ weiß white blanc	2000 mm	676014WS
● schwarz black noir	2000 mm	676014SW

Befestigungsklammer | Clamp | Clip de montage

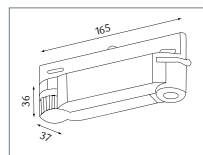

● aluminium	676013
-------------	--------

Steckdosen-Adapter | Power socket | Adapteur prise

○ weiß white blanc	71990951
● schwarz black noir	71990952

Steckdosen-Multi-Adapter mit Sicherung 6,3 A trage. | Power-socket adapter with idl. 6,3 A fuse. | Multi-adapteur prise avec fusible 6,3 A.

20 - 50 VA Trafoadapter kliks

Adapter with trafo | Adapteur avec transformateur

● silber silver argent	74-3PHS-AT-SI
○ weiß white blanc	74-3PHS-AT-WS
● schwarz black noir	74-3PHS-AT-SW

Passend fur unsere 12 V kliks Stecksytem Strahler u. Hangeleuchten | Suitable for our 12 V kliks plug-in system spots and pendant lights | Adequat pour nos luminaires alimentes en 12 V, avec adaptateur enfilable kliks, version spots ou suspensions
