

Panduit® Double Clamp Cable Ties

Extra Heavy Cross Section

The Panduit® Double Clamp cable ties provide a cost effective way to secure and separate parallel hoses, tubing, wires and wiring bundles in an easy to install one-piece design. The Double Clamp cable tie has a strong 150 lbs. loop tensile strength to provide secure support for even high load applications. This new cable tie is ideal for heavy duty applications such as Truck and Heavy Equipment.

Key Features	Benefits
One-Piece Design	Cost effective, easy to install one-piece design
Easy to Install	Flexible cable tie body provides easier insertion and installation than other extra heavy cross section cable ties
Releasable	Releasable locking tab allows for tie to be released and reused where changes are anticipated
Mounting Hole	The double clamp includes a center mounting hole for fixed attachment where needed
Versatile Material	Impact Modified Heat Stabilized (239°F, 115°C) Weather Resistant Nylon 6.6

The Panduit® Double Clamp cable tie is ideally suited for heavy duty applications, including:

Heavy Truck

Specialty Trucks, such as Dump Trucks, Garbage Trucks, Concrete Trucks, Utility Trucks

Bus

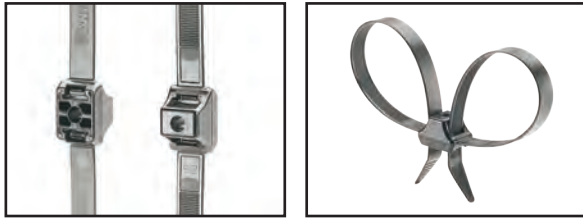

Agricultural Equipment

Construction Equipment

Panduit® Double Clamp Cable Ties
