SRU210X

Connectable hydraulic crimping tools

Series: SRU210

[[Label-NetworkType]]Network Type: [%NetworkTypeFR%][[Label-NetworkType]]

Single acting connectable hydraulic crimping tool. U type head according to NF C33-090 with extended arms for larger capacities. Double spring system for powerful retraction.

Capacity

OutPut Force(kN)	200
OutPut Force (tnf)	22.48
Piston Stroke (mm)	35
Nominal Pressure(MPa)	70
Section Min	25
Section Max	630
Die	U13HCU... & U2

Characteristics

Length (mm)
Width (mm)
Height (mm)
Weight (kg)
