Giving Anya and Sam the chance to be mortgage free. It's a people thing.

This year, we're paying off a customer's mortgage every single month in our mortgage prize draw.

Up to £200,000 paid off. To qualify each month, you must be registered and have a Halifax mortgage on your home in England, Wales or Scotland (not Northern Ireland). Hold a Halifax or Bank of Scotland personal retail current account and pay in at least £1500 each month before the draw. Mortgage Prize draw rules and other exclusions apply.
