Trusted. Simple. Effective.

**Simple.**  
 Why haven't we always done it this way?  
 One product to clean, degrease and disinfect food contact surfaces in just one step.

**DEGREASER + DISINFECTANT**

every experience counts.™ **P&G Professional**

Cleaning with multiple products in multiple steps can be tiring at the end of a long kitchen shift. This is why the P&G Professional Disinfecting Kitchen Degreaser (safe on food contact surfaces) is designed to clean, degrease and disinfect in just one step.
