

Ted

Now... Now, hold on.  
Hey, knock it off, okay? We're  
not doomed. No one is doomed.  
But, Bumbercatch, yes, you're  
right. It is a sign. I agree. Yeah.  
Fact is, it's just a sign.  
All right, guys, listen to me.  
Belief doesn't just happen 'cause  
you hang something up on a wall.  
All right? It  
comes from in here.  
You know? And up  
here. Down here.  
Only problem is, we all got so  
much junk floating through us,  
a lot of time we end up  
getting in our own way.  
You know, crap like  
envy or fear, shame.  
I don't wanna mess around  
with that shit anymore.  
You know what I mean? Do you?

Team on left side

No, Coach.

Coach

Do you?

Team on right side

No.

Ted

No, me neither. Hell no.

Well, you know what I  
wanna mess around with?

The belief that I matter, you know?  
Regardless of what I do or don't achieve.

Or the belief that we  
all deserve to be loved,  
whether we've been hurt or  
maybe we've hurt somebody else.

Or what about the belief of hope?  
Yeah? That's what I wanna mess with.

Believing that things  
can get better.

That I can get better.

That we will get better.

Oh, man. To believe in yourself.

To believe in one another.

Man, that's... That's  
fundamental to being alive.

And look. Yo, hey. If you can do that,  
if each of you can truly do that...  
can't nobody rip that apart.
