

Vista TX Collar

6-in-1 collar with thoracic extension

The Vista® TX Collar encompasses all of the features and benefits of the popular Vista® Cervical Collar with an easily detachable thoracic extension, providing added coverage in the thoracic region.

With its innovative height adjustment, this collar is actually 6 collars in 1. The right size is always at hand, reducing storage and inventory costs, while improving patient care.

This brace is part of the Aspen MP brand!

With **25 years** of research driven design, Aspen is committed to providing patients with effective solutions to their unique spinal conditions.

One Size Adjustable

Patented sizing system offers 6 height adjustment settings to easily accommodate a wide range of anatomies, allowing for easy adjustments on the patient.

Dial Height Adjustment

Simply pull and turn the Height Adjustment Dial to select one of 6 height settings.
