

Aspen OA Knee Wrap

A Dual Approach to Knee OA.

The OA Knee Wrap takes a dual approach to managing symptoms of Osteoarthritis with its two point hinge adjustment for even pressure distribution and its comfortable wrap design that delivers all-around compression to help decrease symptoms of pain and inflammation.

This brace is part of the Aspen MP brand!

With **25 years** of research driven design, Aspen is committed to providing patients with effective solutions to their unique spinal conditions.

2 Point Hinge Adjustment

Dual hinge adjustment for even pressure distribution and comfort.

Numbered Hook and Loop Tabs

Hinge adjustment for even pressure distribution and comfort.

Breathable Material

Provides compression to reduce swelling and discomfort associated with Osteoarthritis.

Range of Motion

Adjustable stops allow you to set the range of motion for appropriate treatment during continuum of care.
