

Cut and Impact Resistant Nitrile-Dipped Gloves

DESCRIPTION

These gloves are constructed with a 13-gauge Tuffalene® brand UHMWPE shell with glass fibers. They feature a flat dipped Mach Finish Nitrile palm for the absolute best in comfort and dexterity in a cut resistant glove. They feature sewn in palm padding, TPU impact protection on the back of the hand and the fingers, a Hook and Loop closure, and a reinforced thumb crotch. Great for jobs requiring a high level of cut and impact resistance.

INDUSTRY

Industrial	Construction
Handling Sharp Materials	Oil and Gas
Metal Handling	Auto Assembly
Steel Handling	Parts Assembly

FEATURES

- TPU impact protection
