

# Mach Finish Nitrile Impact Protective Gloves

## DESCRIPTION

Vise Gripster® C.I.A. - These high-visibility yellow/green nylon, Mach Finish nitrile coated palm gloves feature TPU impact protection added to the fingertips and the back of the hand. The unique double dipped Mach Finish nitrile coating provides the grip comparable to true foam/air-injected nitrile and has more abrasion qualities. It also will not saturate through the coating like foam/air-injected nitrile.
