

HAND PROTECTION

Insulated Water Repellent Dipped Gloves

DESCRIPTION

These insulated and water repellent gloves are constructed with a 10-gauge Tuffalene® brand UHMWPE shell with a terry cloth lining shell for excellent warmth and comfort and black foam latex dipped palm. The dipped palm provides excellent grip, as well as abrasion resistance. Great for working in cold and damp conditions where a high cut resistant level is required.

INDUSTRY

Automotive	Manufacturing
Steel Mills	Construction
Glass Handling	Mining
