

INDUSTRIAL TRACTION ICE + SNOW

ALL PURPOSE INDUSTRIAL

All-around traction solution for the tough work environment. Best for those who work and play hard outdoors.

- Repositioned Military Grade Tungsten Ice Diamond Spikes provide comfort under the foot and improved traction. Spike patterns strategically placed at the heel and front of the sole, leaving the mid-sole area open for safe ladder use – no need to remove our traction aids when climbing or descending ladders (mid-sole models excluded)
- Geometrically designed strap webbing and improved shape fit a greater variety of footwear – these traction aids stay on!
- Molded-In Retention Strap attachment Points, for use with optional retention strap (sold separately)
- Industrial grade sole offers unparalleled grip, maximum durability and superior operator safety
