

DUE NORTH LIGHT INDUSTRIAL

The versatile Due North Light Industrial traction aids are ideal for the worker who occasionally needs additional traction on ice and snow.

- 6 (12/pair) tungsten carbide spikes are integrated into a proprietary rubber tread design to provide extra grip and traction
- Special rubber compound stays strong and retains elasticity in subzero temperatures
- 360° spike pattern provides more push and lateral grip
- Large toe box and unique support hole on heel strap provide easy adjustment and make it easy to put on and take off
