

CT105ZBPU

CUT RESISTANT GLOVE WITH POLYURETHANE COATING, CUT 5, ANTI-STATIC

SPECIFICATIONS

Abrasion Level	4
Cut Level	A5
EN 388	4X43E
Puncture Level	4
Coating Material	Polyurethane
Material	HPPE/ Glass Blend
Special Features	Touchscreen Capable
Special Features	Anti-Static
Special Feature	Hi-Vis
Sizes	S - 2XL
Packaging	12 Dozen per Case

FEATURES

- High-visibility shell enhances worker safety in low-light conditions
- Anti-static construction protects sensitive equipment and electronics
- HPPE/glass fiber blend delivers lightweight strength and long-lasting comfort
- Flexible 13-gauge design offers dexterity for precision handling

APPLICATIONS

Metal Fabrication
Glass Manufacturing & Handling
Electrical Assembly & ESD-Sensitive Work
Warehousing & Logistics
Sheet Metal Work
Utilities & Maintenance

Sizes: Small - 2XL
