

POLY TUFF 12

NEXT GENERATION PU BOOT WITH A 12" HEIGHT FOR A ROOMIER FIT

Step into the next generation of comfort and performance. These boots are noticeably comfortable, combining lightweight flexibility with rugged durability, now with a shorter shaft option for wider calves.

- **Premium Insole with Sneaker Fit:** Engineered for excellent cushioning, all-day support, and a snug contoured fit - keeping you comfortable through even the longest shifts.
- **12" Height with Pull Tabs:** Shorter 10.5" shaft that sits below mid-calf for a roomier fit with wider calves, with pull tabs for effortless slip-on.
- **Durable & Breathable Sock Liner:** Delivers a perfect balance of ventilation and strength, helping your feet stay dry, cool, and fresh.
- **Advanced Temperature Modulation:** Stay comfortable in any environment—tested and proven effective down to -4°F.
- **Easy to Clean, Hygienic Design:** Features an anti-bacterial lining that supports workplace hygiene and long-lasting freshness.
- **Designed for industrial and food processing:** These boots redefine what it means to work in comfort, day after day and shift after shift.
