

# HELIX<sup>®</sup> 2077

## cold weather

Innovation intertwined with safety. That's the DNA of the Helix<sup>®</sup> Series. The Helix<sup>®</sup> cold weather 2077 features a 13-gauge acrylic/fiberglass blend shell offering level A6 cut resistance.

The fleece lining keeps wearers' hands warm and insulated from the cold while the sandy nitrile palm coating provides superior grip and abrasion resistance in dry, oil, or wet situations. The black palm coating hides dirt and soil but can be laundered for extended life.

### Product features

- 13-gauge acrylic and fiberglass blend shell with cut resistant fabric liner
- Flexible sandy nitrile palm coating provides superior grip and abrasion resistance
- Black palm coating hides dirt and soil
- Fleece lining for warmth and insulation
- Touchscreen capabilities
- Elastic knit wrist helps prevent dirt and debris from entering the glove
- Ultimate dexterity and tactility
- Seamless construction for enhanced comfort and breathability
- Launderable for extended life
- Vend-packed
