

K1 MID-SOLE

The K1® Series Mid-Sole ice cleat is the one-size-fits-all winter traction solution. The ice-penetrating tungsten carbide spikes maximize grip while the rotatable design provides seamless transition when traction is not required.

- Available in Original, Low-Profile, and High-Profile styles to provide near-universal coverage of all footwear
- Strategically placed ice-penetrating tungsten carbide spikes provide maximum traction on ice and snow
- Easy-to-use design rotates to the top of the foot to allow driving, climbing, and indoor use
- Black or hi-vis adjustable strap delivers a perfect fit regardless of shoe size
- Specially formulated rubber pad provides maximum comfort and durability even in extreme cold weather conditions
