**WHAT IS CLO VALUE?**  
CLO is a unit that describes the degree of insulation provided by an article of clothing. The higher the CLO value, the warmer it will keep you.

**YOUR COMFORT EQUATION**  
INSULATION (CLO Value) + ACTIVITY MET Level + TIME Duration = Your Comfort

Insulation performance is measured by CLO rating. When you're working, you're cooling heat. This is the extra insulation you'll need or want.
