Crown - High Impact Resistant ABS Plastic

Window - High Impact Resistant Polycarbonate, uncoated

Headgear - Nylon

Technical Specifications

Dimensions - 10"H x 9"W x 4"L

Country of Origin – Made in the U.S.A

Description and Performance

Sellstrom's 380/390 face shield has been a leading face shield in the market for decades due to its light weight and high strength design. The shield curves naturally to fit facial contours ensuring reliable protection from splash, particles and flying debris. Interchangeable parts extend the life of the face shield and lower cost of ownership.
