

## Economy Dark Violet Powder-Free Nitrile Industrial-Grade Disposable Gloves

### DESCRIPTION

These 2.5 mil powder-free disposable gloves are made from 100% nitrile and feature a rolled/beaded cuff and textured fingertips. They offer extreme, tactile dexterity without containing latex proteins. The key benefit of nitrile gloves is their outstanding chemical and tear resistance which is three times more puncture resistant than latex rubber.

### INDUSTRY

Automotive	Paint Line
Electronics	Parts Assembly
