

# Kneepro Ultra Flex III Knee Pads

## Key Features and Benefits:

- Sellstrom's KneePro Ultra Flex III knee pads have been the industry standard for more than 30 years
- The articulating hinged design ensures proper placement all day long—set them once and forget you are even wearing them
- Soft elastic, extra-wide woven straps with reinforced sewn ends are placed well above and below the knee—no Velcro, which contaminates over time
- Straps stay aligned with your legs in any position—will not bind behind the knee
- Built with strong, flexible hard plastic outer shells that extend well above, below and to the inside/outside of the knee for added knee and leg protection
- Metal rivet hinge ensures long lasting protection while kneeling or walking
- Grip-Strip designed for use in all applications without gumming up
- On the inside, pads offer a long lasting 5/8" closed cell foam pad for maximum comfort and protection
- Specially designed Quick-Snap clips ensure quick and easy removal
- Pads weigh only 9 oz. each
