

KREW'D

6354

SPF 50 SUNSCREEN STICK – 1.5oz

The KREW'D™ 6354 SPF 50 Sunscreen Stick (1.5oz container) provides safe and effective broad-spectrum UVA/UVB protection against sunburn. It's a water-resistant and sweat-resistant sunscreen for 80 minutes. This FDA approved sunscreen is a solid stick that comes in a 1.5oz container for easy application of 50 SPF protection against both UVA and UVB rays, which can cause skin cancer.

KREW'D™ is a water-resistant sport formula that provides even coverage for better protection. It's lightweight, non-greasy, absorbs quickly and is free of paraben/phthalates and octinoxate/oxybenzone.

Features
