#### Product information

Providing Cat 4 protection from arc flash and flash fire to help keep you protected on the job, these insulated FR bibs are constructed with durability and warmth in mind. The bib features back pockets for optimal storage, tool and utility pockets, adjustable straps for a personal fit, and ankle-to-thigh zippers on the legs to accommodate work boots.

#### Bizflame Duck

Engineered with maximum safety and comfort in mind, Bizflame Duck is a high-performance fabric constructed from 100% Cotton Duck 10oz. Designed to bead away water, the wind resistant properties combined with lightweight insulation ensures the worker is protected from the elements. This unique collection provides exceptional flame resistant protection and is fully compliant to NFPA 70E with ARC4 protection against electric arc.

#### Flame Resistant

This industry leading flame resistant range provides multi-standard protection for hazardous environments. These state of the art products are the result of years of experience combined with advanced technology and market research. Commitment to the health, safety and comfort of the wearer can be seen in the wide range of products suitable for all climates and end uses.
