

Global Emergency Medicine: Virtual study day

Date: Tuesday 7 September 2021

RCEM accredited for CPD

GMC domains covered: 1, 2, 3 and 4

RCEM curriculum 2021 codes: CAP14, CAP15, CAP 30, CC1, CC2, CC4, CC6, CC9, CC11, CC10, CC12, CC16, CC24

Many trainees are interested in an EM career which goes beyond the standard ED shift. Global Emergency Medicine (GEM) encourages wider perspectives on healthcare both worldwide and in our own departments and is attractive to many trainees. This study day will consider how Global EM is important for every UK EM provider, and what Global EM looks like at home, touching on several important curriculum items.

Learning Objectives

- To understand what Global EM is and how to embed its principles into our departments
- To develop an appreciation of competencies gained from GEM exposure and how these can contribute to professional development
- To learn about some key aspects of refugee health and tropical medicine management in the UK

Who should attend?

- Clinical/Research/Teaching Fellow
- Consultant
- FY1/2
- Nurse
- Paramedic
- Physician Associate/Advanced Care Practitioner/Advanced Nurse Practitioner
- Pharmacist
- Specialty doctor/SAS Grade
- ST1-3
- ST4-7
- Student

CPD certificates will be sent to those who attended the live session ten working days from the end of the event. Please note, you are required to attend the live event in order to receive your CPD certificate.
